Levert K. Griffin

v.

Lawrence R. Smith, Esq.

Case No. 2006-1762

E N T R Y

Upon consideration of the jurisdictional memoranda filed in this case, the Court declines jurisdiction to hear the case and dismisses the appeal as not involving any substantial constitutional question. Upon consideration of appellant's motion to exceed page limitation for memorandum in support of jurisdiction,

It is ordered by the Court that the motion is denied as moot.
