CLERK OF COURT
SUPREME COURT OF OHIO

Cincinnati Bar Association,
Relator,
v.
Rodger William Moore,
Respondent.

Case No. 2014-1737

ORDER TO SHOW CAUSE

The Board of Commissioners on Grievances and Discipline of the Supreme Court of Ohio filed a final report in the office of the clerk of this court. In this final report the board recommends that, pursuant to Gov.Bar R.V(6)(B)(3), respondent, Rodger William Moore, Attorney Registration No. 0074144, be suspended from the practice of law for a period of two years with one year stayed on the conditions that respondent (1) maintains compliance with his Ohio Lawyers Assistance Program contract ("OLAP"), (2) provides relator and OLAP with evidence of regular counseling visits with his psychologist, along with the reports of said psychologist, and (3) commits no further misconduct. The board further recommends that in order to be reinstated, respondent submit a petition for reinstatement to the court in accordance with Gov.Bar R. V(10(B)-(G) and that the petition be required to include documentation from a qualified health care professional, who shall be a medical professional other than his treating psychologist and shall be selected by relator, opining that respondent is capable of returning to the competent, ethical, and professional practice of law. The board further recommends that the costs of these proceedings be taxed to respondent in any disciplinary order entered, so that execution may issue.

On consideration thereof, it is ordered by the court that the parties show cause why the recommendation of the board should not be confirmed by the court and the disciplinary order so entered.

It is further ordered that any objections to the findings of fact and recommendation of the board, together with a brief in support thereof, shall be due on or before 20 days from the date of this order. It is further ordered that an answer brief may be filed on or before 15 days after any brief in support of objections has been filed.

After a hearing on the objections, or if no objections are filed within the prescribed time, the court shall enter such order as it may find proper which may be the discipline recommended by the board or which may be more severe or less severe than said recommendation.

It is further ordered that all documents filed with this court in this case shall meet the filing requirements set forth in the Rules of Practice of the Supreme Court of Ohio, including requirements as to form, number, and timeliness of filings and further that unless clearly inapplicable, the Rules of Practice shall apply to these proceedings. All documents are subject to Sup.R. 44 through 47 which govern access to court records.

It is further ordered that service shall be deemed made on respondent by sending this order, and all other orders in this case, to respondent's last known address.
