CLERK OF COURT
SUPREME COURT OF OHIO

MOTION FOR MEDIATION VIA FURNISH DISCOVERY BY CUYAHOGA COUNTY CLERK OF COURT on 1/8/15

RELATOR moves pursuant to Supreme Court Practice Rule 19.01, entitled Mediation referral, to have this instant action reffered to its mediator to explore settling of this case while simplifying the issue at hand since the Cuyahoga County Interim Clerk of court has furnished a purported copy of the jury verdict Forms[1] (which is at odds of the old CLERK of Court Andrea Rocco Public Information furnished to relator)

Although a motion to dismiss is pending via respondent Judge Peter Corrigan, newly furnished case document will shed light on gross misconduct that still the issue at hand must be address regardless if dismissal is granted or denied. Where are THE ORIGINAL VERDICT FORMS AND WHO POSSESSED THEM TO EVEN FURNISH A COPY AFTER THE RECORD WAS DEEMED COMPLETE IN RELATORS CASES IN THE 8th

RELATOR'S position legally must be considered. Productive results can simply the entire matter.

There is no way an orginal can be produce at this stage of due process. Actual prejudice of declaring this request as moot will be the Forecast since still the "Orginal" must be had for direct appeal Rights.

AT LEAST LET Respondent respond.

Respectfully Submitted
