

THE SUPREME COURT of OHIO

JUDICIAL *family* NETWORK

The Supreme Court of Ohio Advisory Committee on the Judicial Family Network exists to identify the needs and concerns of judicial families in Ohio and to offer a supportive network and educational opportunities to spouses, partners and children of judges.

The advisory committee provides resource material and sponsors educational programs for the partners of new judges. In addition, members serve as resource contacts for those entering judicial family life. The advisory committee also sponsors educational sessions for all judges' partners. Judicial family life is unique as judges and their families live their private lives in the public eye.

Visit the committee's website to read articles and information about judicial family life:
