SUP. R. 66 GUARDIANSHIPS

LOCAL RULE 66.1

(A) GUARDIANS

The Local Rules regarding Guardianships apply to all guardianships administered through this Court, unless otherwise indicated in the particular Local Rule, or unless expressly waived by Court Order.

(B) RESPONSIBILITIES OF GUARDIANS

All Guardians appointed by the Court shall submit to the court information documenting compliance with the guardian qualifications pursuant to Sup. R. 66.06 or 66.07, as applicable. In addition, each Guardian shall submit a background check or certificate of good standing prior to appointment if admitted to the practice of law. The Guardian shall follow all requirements outlined in Sup.R. 66.08 and 66.09 including an annual report to the Court.

In the event that the criminal background check indicates a charge that would disqualify the applicant from serving, the Court, in its discretion, may hold a hearing on reformation. At the hearing, the applicant has the burden of proof that the applicant is suitable to serve despite the unfavorable background check.

Each guardian shall file an annual report with the Court containing the information required by the Court. No guardian shall change the residential placement of a ward without prior application to and approval of the Court. The application shall state the reason for relocating the ward and any recommendation for relocation made by health care providers.

A guardian shall avoid actual or apparent conflicts of interest regarding a ward's personal or business affairs. A guardian shall report to the probate division of the court of common pleas all actual or apparent conflicts of interest for review and determination as to whether a waiver of the conflict of interest is in the best interest of the ward. This report shall be made within 30 days of when the guardian knew or should have known of the existence of the conflict. Failure to make a timely report is grounds for sanctions and/or removal.

(C) EMERGENCY GUARDIANSHIPS

Pursuant to Sup.R. 66.03(A) this Court has adopted the following process for emergency guardianships. Every application for the appointment of an ex parte emergency guardianship shall be accompanied by:

- (1) A statement of Expert Evaluation;
- (2) A completed Next of Kin form;
- (3) A narrative statement signed by the applicant setting forth information describing the imminent risk of significant injury to the person or property of the minor or incompetent that justifies an ex parte emergency appointment;
- (4) Compliance with the Court's requirement with respect to background checks and credibility; and
- (5) Photo identification of the applicant.

The applicant shall attend the required 72-hour hearing to determine whether to extend the emergency guardianship. The applicant is expected to file an application for appointment of guardian within seven days of the completion of a hearing extending the guardianship beyond the initial 72 hour appointment if it is expected the need for continued guardianship will exist longer than the emergency guardianship.

(D) GUARDIAN COMMENTS AND COMPLAINTS

Pursuant to Sup. R. 66.03(B) this Court has adopted the following process for submitting and considering comments or complaints regarding the performance of guardians appointed by this Court.

This local rule is applicable to all guardians appointed by the Court pursuant to R.C. § 2111.02. Comments and complaints (hereinafter collectively referred to as "complaints") received regarding the performance of guardians and the resulting documents and correspondence are considered to be case documents and accessible to the public, unless otherwise excluded pursuant to Sup. R. 44(C)(2). The Court will note actions with respect to the complaint in the case docket. The Court will communicate complaints about a guardian's performance to the guardian and/or the guardian's counsel.

The Court will not accept or act upon an oral or telephonic complaint against a guardian, other than to provide the address to which to hand-deliver, fax, e-mail or mail the written complaint. The Court will not accept an anonymous complaint. When the Court receives the written complaint regarding a guardian's performance, it will date-stamp the complaint. Complaints received by facsimile on the days the Court is closed shall be deemed to have been received on the next day the Court is open. All electronically

submitted complaints must include verification information for the complainant. Failure to provide the same will result in the complaint being treated as anonymous.

When a complaint is received by the Court, the procedure will be as follows:

- 1) The Court will send a copy of the complaint to the guardian and/or guardian's attorney and request a response to the complaint within twenty-eight (28) court days from the date of mailing.
- 2) Once the response is received or the expiration of twenty-eight (28) days has passed with no response, the Court may refer the complaint and any response from the guardian and/or guardian's attorney to a Court investigator and/or other appropriate office or agency for an investigation to be completed within thirty (30) court days.
- 3) When appropriate, the complaint will be referred to the appropriate law enforcement agency pursuant to R.C. § 2101.26 if the complaint alleges abuse, neglect, or exploitation of the ward. When the Court refers a complaint to law enforcement, the Court will take such emergency action as it determines necessary to protect the interest of the ward while being cognizant of the need to have minimal impact on the investigation by law enforcement.

The Court's actions may include dismissal, directive for remedial action, establishing periodic review dates, allocating costs and fees, referral to law enforcement for investigation, sanctions, removal and any other actions permitted by law. Except when administratively dismissing a complaint, or acting in an emergency, the Court shall not act without a hearing.

When the ward is a veteran and the Court appointed the guardian under R.C. § 5905, notice of the complaint, reports, hearings and actions shall be given to the Administrator of Veterans Affairs of the United States pursuant to R.C. § 5905.03.

The Court shall maintain a record regarding the nature and disposition of any complaints filed under this rule in an Administrative Case File.

(E) GUARDIAN WITH TEN OR MORE ADULT WARDS

To assist the Court in meeting its supervisory responsibilities under Sup.R. 66.05(B) and in satisfaction of the responsibilities arising under Sup.R. 66.08(H) by January 31 of each year, a guardian with ten or more wards through the probate court shall file with this Court a document that includes a listing of the guardian's wards, the case number and the appointing Court. The guardian in such cases shall advise the Court of any change in the guardian's name, address, and telephone number within thirty days of the change occurring.

If the guardian will be seeking compensation from the guardianship or from the Court, the guardian shall accompany the annual registration with a fee schedule that differentiates guardianship services fees as established by local rule from legal fees or other direct services.

A guardian with 10 or more wards shall include with the Guardian's Report form, a statement indicating whether the guardian is aware of any circumstances that may disqualify the guardian from continuing to serve as guardian.

RULE 66.06. GUARDIAN PRE-APPOINTMENT EDUCATION

All guardians shall comply with the requirements of Rule 66.06 of the Rules of Superintendence.

RULE 66.07. GUARDIAN CONTINUING EDUCATION

All guardians shall comply with the rules of superintendence concerning guardian education requirements.

The application shall also include a statement of the total actual cost to the defendant of the settlement. This statement shall be used to fix and determine attorney fees.
- B) If the settlement is to be funded by an annuity, the annuity shall be provided by an annuity carrier that is licensed to write annuities in Ohio. The annuity carrier must have a minimum of \$100,000.00 of capital and surplus, exclusive of any mandatory security valuation reserves. The annuity carrier must have one of the following ratings from the following rating organizations: A++, A+, or A from A.M. Best Company; AAA, Aa1, or Aa2 from Moody's Investors Service; or AAA or AA from Standard's & Poor's Corporation. The annuity insurer issuing an annuity contract may not enter into an assumption reinsurance agreement for the annuity contract without the prior approval of this court, the owner of the annuity contract, and the claimant having the beneficial interest in the annuity. In all instances of reinsurance, the broker or the annuity insurance carrier shall provide the court with an affidavit to certify that the carrier meets the standards set forth in this rule.
