

Charles S. Spingola

Case No. 2007-0297

v.

E N T R Y

Sinclair Media, II, Inc. et al.

Upon consideration of the jurisdictional memoranda filed in this case, the Court declines jurisdiction to hear the case and dismisses the appeal as not involving any substantial constitutional question.

Upon consideration of appellant's motion to strike portions of appellee's memorandum in response,

It is ordered by the Court that the motion is denied as moot.
