

Cleveland Bar Association,
Relator,

v.

Luann Mitchell,
Respondent.

Case No. 2007-1581

E N T R Y

This cause is pending before the Court upon the Report of the Board of Commissioners on Grievances and Discipline. On October 17, 2007, respondent filed her objections to the report that included a request for enlargement of time. Because respondent previously received an extension of time under Sup.Ct.Prac.R. XIV(3)(B)(2) and that rule prohibits her from filing of an additional request for extension,

It is ordered that the portion of respondent's objections and brief in support requesting enlargement of time is, sua sponte, stricken.
