The Supreme Court of Ohio

David Pheils

Case No. 2010-0054

v.

ENTRY

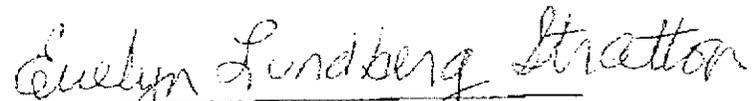

David Palmer et al.

This cause is pending before the Court as a discretionary appeal. On February 2, 2010, David Palmer, a pro se appellant filed a motion for recusal.

Although I can determine fairly and impartially the issues presented in appellant David Palmer's memorandum in support of jurisdiction, the scurrilous language and spurious allegations he has asserted in his motion would cause a reasonable and objective judge to avoid any appearance of impropriety by recusing.

Therefore, I will not participate in the above-styled case.
