David Pheils

Case No. 2010-0054

v.

ENTRY

David Palmer et al.

This cause is pending before the Court as a discretionary appeal. On March 1, 2010, pro se appellant David Palmer filed a request that I recuse myself from participation in this matter.

Upon careful consideration of this request under Jud. Cond. Rules 2.7 and 2.11 and other applicable principles, I have determined that the standards and circumstances for either requiring or permitting disqualification have not been met.

Therefore, the request for recusal must be, and hereby is, declined.
