OCT 10 2012

CLERK OF COURT
SUPREME COURT OF OHIO

State of Ohio

Case No. 2012-1441

v.

ENTRY

Henry Allen Holdcroft

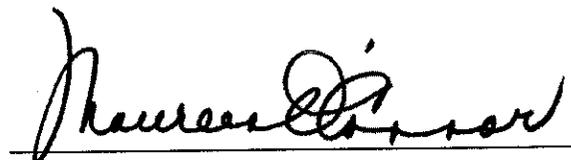

This cause is pending before the court on the certification of a conflict by the Court of Appeals for Wyandot County. On review of the order certifying a conflict, it is determined that a conflict exists. The parties are to brief the issue stated at page 1 of the court of appeals' Judgment Entry filed August 16, 2012, as follows:

"Does a trial court have jurisdiction to resentence a defendant for the purpose of imposing mandatory post-release control regarding a particular conviction, when the defendant has served the stated prison term regarding that conviction, but has yet to serve the entirety of his aggregate prison sentence, when all of the convictions which led to the aggregate sentence resulted from a single indictment?"

It is ordered by the court that the clerk shall issue an order for the transmittal of the record from the Court of Appeals for Wyandot County.

It is ordered by the court, sua sponte, that this cause is consolidated with Supreme Court Case No. 2012-1325, *State of Ohio v. Henry Allen Holdcroft*, and that the briefing in Case Nos. 2012-1441 and 2012-1325 shall be consolidated. The parties shall file two originals of each of the briefs permitted under S.Ct. Prac. R. 6.2-6.4 and include both case numbers on the cover page of the briefs. The parties shall otherwise comply with the requirements of S.Ct. Prac. R. 6.1-6.4.
