Mel M. Marin

Case No. 2012-1679

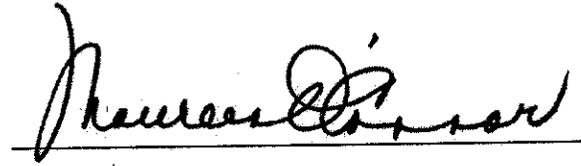

v.

ENTRY

Trumbull County Probate Court

This cause was filed as a claimed appeal of right. Upon review of appellant's jurisdictional statement, it is evident the appeal arises from a decision of the court of appeals denying appellant leave to proceed pursuant to R.C. 2323.52(F)(2). Pursuant to R.C. 2323.52(G) no appeal shall lie from a decision that denies leave to institute or continue legal proceedings in a court of appeals. Accordingly, it is ordered by the court, sua sponte, that this cause is dismissed.
