v.

Case No. 2014-0292

ENTRY

This cause is pending before the court as an appeal from the Board of Tax Appeals.

Upon consideration of appellees' motion to strike the new issue of facial discrimination against interstate commerce raised for the first time in appellants' reply brief, it is ordered by the court that the motion is denied upon the specific grounds set forth in the motion, and for the same reasons set forth in the court's order entered this day in No. 2014-0235, *Hillenmeyer v. Cleveland Bd. of Review*.
