SUPREME COURT OF OHIO

State of Ohio

v.

Willie Gene Wilks, Jr.

Case No. 2014-1035

ENTRY

This cause is pending before the court as a death penalty appeal from the Court of Common Pleas for Mahoning County.

Upon consideration of the motion of appellant's counsel for interim billing and extraordinary fees, it is ordered by the court that the motion for interim billing is granted and Kathleen McGarry and John P. Parker may file applications for attorney's fees at completion of briefing, and upon completion of the case.

It is further ordered that the motion for extraordinary fees is denied. The hourly rate set by Mahoning County for capital cases shall be used, but the court will award extraordinary fees if warranted, in excess of the county maximum. An excess fee award amount will be considered upon the filing of the applications for attorney's fees.
