Respondent.

) Counsel for Respondent Carole Squire
)
)

Now comes Respondent through the undersigned counsel and moves the Court for an extension of her time to respond until May 2, 2007. This is the first and will be the only request by Respondent for an extension. She had not ordered the final transcript pending a review of the decision of the Board since it might have been the case that there would have been no necessity for the transcript to be prepared. Now that it is clear that there is, it has been ordered but has not yet been received. The hearing took place over six (6) days and the preparation of the necessary objections will require more than the time allotted in the Court's Order of March 23, 2007.

Accordingly, the Respondent asks the Court to grant the extension of time for her to file her brief in support of her objections until May 2, 2007.

Respectfully submitted,

RICHARD M. KERGER (0015864)
