COUNSEL FOR APPELLANT,
ELYRIA FOUNDRY COMPANY

Ohio Edison Company hereby moves for leave to intervene as an intervening appellee in this matter. The case is before the Court on the appeal by Elyria Foundry Company from the January 17, 2007 Opinion and Order, the March 14, 2007, Entry on Rehearing, and the May 2, 2007, Second Entry on Rehearing of The Public Utilities Commission of Ohio ("PUCO") in PUCO Case No. 05-796-EL-CSS. That proceeding involved a complaint filed by Appellant against Ohio Edison Company, in which Appellant challenged the Company's interruptible program in which Appellant participates.

As the respondent in the PUCO case below, and as a party directly affected by the PUCO's orders, Ohio Edison Company has a real and substantial interest in the appeal of the Commission's Order and Entries.

WHEREFORE, Ohio Edison Company respectfully requests that the Court grant it leave to intervene as an intervening appellee in this proceeding.

Respectfully submitted,

Kathy J. Kolich (Reg. No. 0038855)
