

MEMORANDUM IN SUPPORT

Appellant's Susan Mbah and Mindy Grote respectfully submit that no portion of the record is necessary for the Supreme Court to determine the questions presented, and, thus, preparation of a supplement is unwarranted. The sole issue for review in this case is which Ohio statute is the applicable general or residual statute of limitations for Section 1983 claims filed in Ohio. Accordingly, there are no portions of the record that are necessary to determine the question of law presented in this case.

Respectfully submitted,
