

IN THE SUPREME COURT OF OHIO

Terry Shane Metzenbaum, Pro Se  
Appellant

Case No. 08-0339

V.

Henry Guzmane

Motion to Exent Time

s

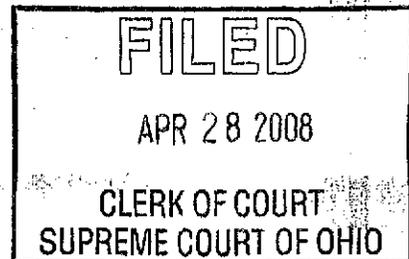

Appellant

Now comes Terry Shane Metzenbaum, Pro  
Se, requesting that Chief Justice Thomas Moyer  
recluse him. Delf from any proceeding of this  
Motion or Appeal for bias

On of the errors of this Appeal will be about  
the illegal vexatious litigator issued by Cuyahoga  
County Common Pleas Judge Ronald Suster on July  
13, 2004 which the 6<sup>th</sup> District Court of Appeals  
used to not hear the case before this Court.

The Chief Justice was asked to remove said  
judge for fraud and bias failed to remove him, after  
Presiding Judge Richard McMonacol law school  
friend of Judge Suster and fellow republican called  
and ask the Chief Justice not to remove him.

Metzenbaum filed a complaint against the  
Chief Justice with the Chief Justice of the Court of

Appeals who was a Republican and she appointed two fellow Republicans and one Democrat to the Investigating Committee. The Presiding Judge was Michael Corrigan a fellow Republican who was voted out of office while the Chief Justice was under investigation, and the Chief Justices of the Court of Appeals refused to remove him.

There is a rumor that the Chief Justice Moyer help get Michael Correction appointed back to the 8<sup>th</sup> District Court of Appeals after the death of one of the sitting Judges

{Pursuant to there I believe the Chief Justice Moyer would vote against the Appeal and Influence the other Justices and should recuse himself

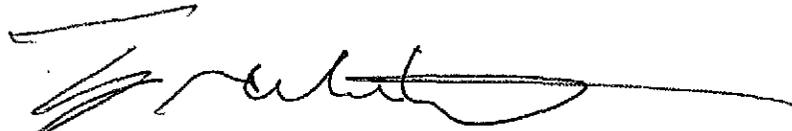

Respectfully submitted
