Now comes Respondent, Rita R. Johnson, pro se, to move This Honorable Court to extend the time to File Objections to Findings of Fact, Conclusions of Law and Recommendation of the Board of Commissioners on Grievances and Discipline of the Supreme Court of Ohio under S.Ct. Prac.R. XIV, Section 3(B)(2). Respondent was under the impression that she would be able to procure the funds necessary for counsel to respond, however, last week it became apparent that it would not happen based on a family financial emergency. Because of the emergency and other commitments Respondent has been unable to procure the transcript and finish the objections herself. Respondent requests a 7 day extension to file said objections.

This motion is not made for purposes of delay.

Respectfully Submitted,

Rita R. Johnson, pro se
