MEMORANDUM

Michael Scheck, Appellant herein, respectfully seeks an enlargement of time, pursuant to S.Ct. Prac. R. 14.3(B)(2)(a), in which to file his reply brief in this case. Appellate submits that he has recently suffered a serious head trauma from an automobile accident and is currently recovering. Moreover, Appellant is a pro se litigant with limited knowledge in the law and limited access to legal research material.

Accordingly, Appellate would request an additional 20 days, for a total of 40 days, from the date on which Respondent-Appellee provides service of their Brief in Opposition.

This is Appellant's first request for an enlargement of time and it is not intended to delay resolution of the instant matter. Further, the reply brief for which Appellant seeks additional time is a reply brief as defined in S.Ct. Prac. R. 6.4(A)(2), and Respondent-Appellee will not be prejudiced by the enlargement of time requested.

Respectfully submitted
