

IN THE SUPREME COURT OF OHIO

Cinseree Johnson
Relator

Case No: 2010 2145

vs

MEMORANDUM CONTRA
TO RESPONDENTS AMENDED
MOTION TO DISMISS

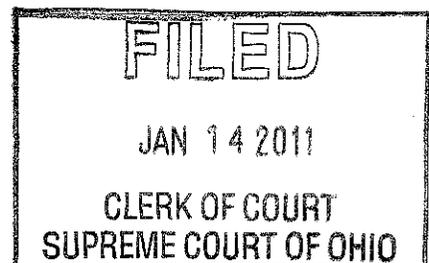

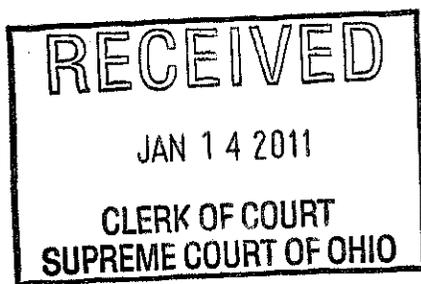

The Court of Common Pleas
of Athens County, Ohio et al
Respondent

Now comes Relator, Cinseree Johnson, and respond and object to Respondents Amended

Motion to Dismiss as follows:

- 1) No Notice of Appearance has been filed on behalf of either Respondent. No pleading on behalf of either may be filed, prior to the filing of such notice.
- 2) Respondent Michael Wards Amended Motion to Dismiss appears to be filed on behalf of both Respondents, or so the docket reflects. Respondent Michael Ward however, may not file an Amended Motion to Dismiss on behalf of Respondent, The Athens County Court of Common Pleas. Such motion must be filed by the Athens County Prosecutor, or other official that has been elected or duly appointed to represent the state and its agencies in a court of law. Respondent Michael Wards motion, on behalf of a court that employs him, represents a glaring conflict of interest.
- 3) The herein complaint for prohibition has been filed in response to Respondents profoundly unlawful behavior, specifically as relates to a profoundly unlawful order entered by Respondent Michael Ward in the Respondent Court.
- 4) Relator advises the herein Court that the complaint for prohibition has been filed because there is no other remedy in law to address this matter.

Respondents actions in the underlying proceeding are profoundly unlawful, a gross violation of Relators civil rights, and represent the worst that is America.

WHEREFORE Relator object and respond to Respondents Motion to Dismiss. It is imperative that Respondents Amended Motion to Dismiss be denied.

Respectfully Submitted,
