CLERK OF COURT : **pro bono public**
SUPREME COURT OF OHIO

Motion to suspend the warrants until the appeal judgment for the lawsuit.

The appellant faxed the motion to suspend warrant to the probation office and asked to transfer the motion to the Cincinnati court on phone. After the applicant asked a person to file the motion in the Cincinnati court. The clerk refused to accept the motion. In the previous time, Cincinnati court did refuse the motion to suspend the conviction judgment until the appeal judgment. These had deprived the applicant of the defense rights, jury right and the appeal right. To accept the motion is the appellant's due process right. Thus the court ought not to refuse the application. The applicant asked the some one to post the motion to Cincinnati court by the mail and post to the prosecutor office. Hereby the applicant filed the motion to suspend the all convictions and warrants for the concerned Cincinnati Building Code violations for the lawsuit. Otherwise the lawsuit can not be continued. The applicant respectfully requests to send the concerned order to the Cincinnati court and to the other applicants Martha Lee 2330 Kenton St. Oh 45206. Thanks In advance for considerations in these matters.
