All relators hereby move for leave to file an amended memorandum that supports their motion for leave to file an amended complaint in this action. The amended memorandum accompanies this motion, but under separate cover.

Relators filed their original memorandum on Wednesday, February 9, 2011. The original memorandum did not explain an additional reason for amending the complaint. The final pages of the amended memorandum explain that additional reason.

Relators also move the Court to treat the separately filed amended memorandum as filed instant, without the need for relators to re-file it should the Court grant this motion for leave.
