

IN THE SUPREME COURT OF OHIO

Cinseree Johnson, : Case No. 10-2145  
Relator, : Original Action in Prohibition  
vs. : RESPONDENTS' MEMORANDUM OPPOSING  
The Court of Common Pleas : RELATOR'S "MOTION TO VACATE"  
of Athens County, Ohio, and :  
The Honorable Michael Ward, :  
Respondents. :

**FILED**  
FEB 25 2011  
CLERK OF COURT  
SUPREME COURT OF OHIO

On February 16, 2011, the Court entered final judgment granting respondents' amended motion to dismiss, thereby dismissing relator's cause of action for a writ of prohibition on the merits.

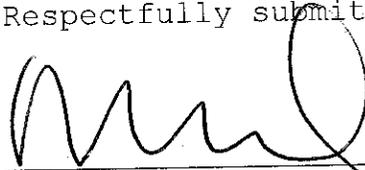

On February 22, 2011, relator filed what respondents construe as a Sup.Ct.Prac.R. 11.2 motion for reconsideration. Respondents offer this memorandum pursuant to Sup.Ct.Prac.R. 11.3 opposing the motion.

Respondents filed a meritorious motion to dismiss relator's prohibition action. Relator refused to address the persuasive legal arguments respondents advanced in support of dismissal. Pursuant to Sup.Ct.Prac.R. 10.5(C), the Court considered and granted the motion on its merits. Relator presently offers no legal basis for reconsideration of the Court's judgment. Instead, she offers insults, and rehashes arguments already raised and rejected herein. Relator may not argue, or reargue,

the motion now that final judgment has been granted. See  
Sup.Ct.Prac.R. 11.2(B).

No cause is present for reconsideration, and relator's  
motion for same should be denied.

Respectfully submitted,

---
