Court of Appeals
Case No. Case No. 11 CA 07

**MOTION FOR EXTENSION OF TIME
TO FILE BRIEF OF APPELLANT**

Now comes the Appellant, David M. Untied pro se, hereinafter referred to as "Appellant", and moves this Court for an Enlargement of Time to file his Brief of Appellant pursuant to S. Ct. Prac. R. XIV, Section 3 (B) (2) (b).

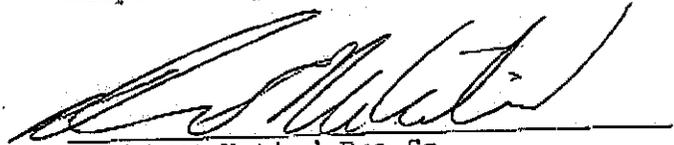

The Appellant is, by no means, attempting to delay these proceedings. However, the Appellant was injured seven days before his brief was due and then subsequently fell ill with pneumonia. As such, the Appellant has been precluded from filing his brief as it is nearly completed but not fully ready for filing. The Appellant had no control over these impediments.
