

**RELATOR'S REPORT**

Pursuant to this Court's December 15, 2010 order, relator supervised respondent's one year probation. Under Gov. Bar R.V(9), relator appointed Attorney Gmoser to monitor respondent and submit written reports to relator. Said reports indicated that respondent was in full compliance with the terms of his probation. At no time during respondent's probation period did relator receive a report of a probation violation. Further, relator's review of the periodic reports submitted by Attorney Gmoser indicates that Mr. Gmoser has fully complied with his duties as the monitoring attorney. Finally, respondent has made the restitution as ordered by this Court and is in substantial compliance with this OLAP contract.

In consideration of all of the foregoing and upon the submission of this report, this Court may now consider respondent's application for termination of probation.

Respectfully submitted,
