BEFORE THE SUPREME COURT OF OHIO

In the matter of the admission
of JEFFREY VINCENT GUELI
to The Bar of Ohio

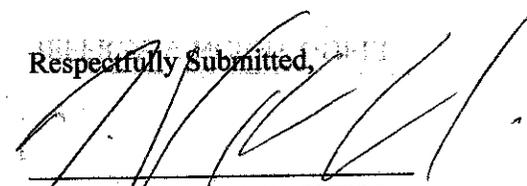

Case No. 2011-1323

MOTION TO EXPEDITE THE RULING

Oral argument on this bar admissions case was held on November 1, 2011. It is now three months later, yet there has still not been a ruling on this case. I must plan for my future. If I can practice law in Ohio in the near future, I must begin studying for the Ohio Bar Examination. If I cannot practice law in Ohio in the near future, I must begin making arrangements to move back to Florida (I have a license to practice law in Florida). And I must act soon—I have not been able to advance my career in recent months, due to the denial of my Ohio license; I cannot allow the progress of my career to remain stagnant.

For all of the reasons set forth above, I respectfully request that this honorable Court enter a decision in this case within the next fifteen days. Furthermore, I request that the Court enter a decision allowing me to take the July, 2012 bar examination and practice law in Ohio without restriction.

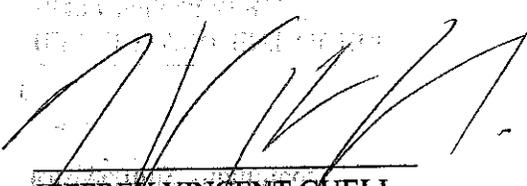

Respectfully Submitted,

JEFFREY VINCENT GUELI
