It is anticipated that the lead counsel of record for the Appellees in this case will still be the Hospital's lawyer, namely Carroll, with Uhl and Lyon as the other counsels of record. As will be seen this is based on earlier working arrangements in Common Pleas and Appellate Court.

Attorney for Defendant A X Bhaskar, MD (who fired his Office Assistant in order to claim he hadn't been timely receiving his Summons since he had been apparently expecting a malpractice deadline and thought he would escape that deadline. And was the likely MD who refused to file his hospital reports for the patient's records to be held up for Patient Representative use in official filing a complaint, FOR OVER 6 MONTHS because he hides his actions as we've recorded, and does this irresponsible tactic with no retribution from overseeing staff MDs or Hospital Administrative Authorities)
