IN RE: :
Judicial Campaign Complaint against :
Jeanette Moll (0066786) :
: AFFIDAVIT

STATE OF OHIO
COUNTY OF MUSKINGUM, ss:

Jeanette Moll, being duly cautioned and sworn, states the following:

1. Based upon testimony given on July 6, 2012, I personally went to the Stark County Republican Headquarters on July 7, 2012.
2. I went through the Headquarters with the Executive Director, Elisa Leonard, to ensure there were no remaining pieces of the small blue literature I had used at the start of my campaign.
3. There were two large stacks of my new literature with photos of me as an attorney located on the tables at the entrance of the headquarters.
4. There were no pieces of the small blue literature on display or available at the Stark County Headquarters on July 7, 2012, less than 24 hours after the hearing in this matter.
5. At no time did the Stark County Republican Headquarters have a 6 inch stack of such literature. A 6 inch stack would have been 1,000 fliers or 10% of the total printing of 10,000.

6. At no time would 1,000 of Exhibit 1 have been sitting somewhere collecting dust. I intended to distribute this literature in the Primary and testified that the night before the Primary I believed that I had distributed all 10,000 pieces.
7. I had previously spoken with and confirmed with the Executive Director that all the small blue pieces of literature were no longer used and the remaining pieces were destroyed.
8. I state that the Stark County Republican Headquarters does not have any remaining copies of the small blue literature and that all copies have been destroyed. I further state that the only piece of literature being used for my campaign by the Stark County Republican Party is the new piece with photos of me as an attorney.

Dear Chairman:

I am writing to ask for your assistance with two important matters.

First, I am writing to ensure that your county Republican Party is no longer using the small blue literature that I used in the beginning of my campaign. This is the piece of literature I would have used at your Lincoln Day dinner and/or meetings on or before March.

If you or your party's headquarters has any remaining pieces of this literature, please either destroy it or return it to me at the above address. I would also ask that you send me written confirmation that either your party has none of this literature or that you have returned it to me. You can send such confirmation via regular mail or the e-mail address provided above.

Additionally, enclosed you will find the new literature that my campaign is using. Please let me know how best to get this literature to you for use at your headquarters and/or fair booth.

I look forward to continuing to work together towards November's election.

Thank you in advance for your assistance with this matter.

Sincerely,

Jeanette,

The Zanesville Patriots had your blue, small, rectangular campaign literature that we passed out to those interested, were available when we were in the 5th District, and that we placed on the tables when we went to your speaking engagements. We knew that your cost had been a factor, that you had a limited number, and that those remaining on tables would be in the trash, therefore, we collected your campaign literature to return to you for another event.

I, as Zanesville Patriots' organizer and president, had a remaining 100+ and I returned them to you. I returned all that remained when attending speaking events with you.

Sincerely,

Kay Clymer

Pat -

My campaign is no longer using the small blue flyers that you distributed at the Rotary meeting in March. Can you please confirm that you no longer have any pieces of that literature?

I can provide you with my new piece, if you like.

Hope all is well with you.

Ralph -

Could you please confirm in writing that neither you nor the Stark912 group have any remaining pieces of the small blue literature that I used at your January meeting in your possession at this time or that any you did have has been destroyed?

Thank you for your assistance with this.

If you or anyone else would like pieces of my new literature, I'd be happy to get it to you.

I appreciate your help and support.

Donise -

If you recall, I had a representative speak to you group in early March. At that time I was using a small blue piece of literature. I am no longer using that piece.

Could you please confirm that you do not currently have any of that piece left?

Also, I'd be happy to attend a meeting and share my new literature prior to the November election.

Thanks!

Jeanette,

I received your letter today. I do not believe that we have any leftover literature from the Spring. We have rented space for a headquarters next to the Hallmark store in downtown Cambridge. The fair is the week of September 9th. If you want to send the literature to me at my office I will see that it gets to the HQ and the fair.

By the way, the Summer picnic is going to be September 5th from 5:30 to 8:00 at the large pavilion.

Best of luck.

I received your letter advising of the switch to newer campaign literature. I am not aware that we have any surplus of the previous pieces, but if we do we will send them to recycling, per your request.

Good luck with your campaign!
