CLERK OF COURT
SUPREME COURT OF OHIO

RELATOR'S MEMORANDUM IN OPPOSITION TO
RESPONDENT'S MOTION TO STAY DISCOVERY

The Respondent, George T. Maier, has filed a motion seeking to stay discovery in this case, based solely upon his filing of his motion to dismiss. The Relator, Timothy A. Swanson, has contemporaneously with the filing of this memorandum filed his opposition to the motion to dismiss. For all of the reasons set forth in opposition to the motion to dismiss, this case should proceed promptly for consideration and determination of the merits. The motion to dismiss is without merit and should be overruled and, similarly, the motion for a stay of discovery premised on that motion should be denied.

WHEREFORE, Relator, Timothy A. Swanson, respectfully requests that the Respondent's motion to stay discovery be overruled. Further, Relator respectfully requests that a schedule be fixed for the prompt completion of discovery, presentation of evidence and submission of briefs.

Respectfully submitted,

Gregory A. Beck (0018260)
