MOTION

Comes now the Respondent in the above styled and numbered case and moves the court to allow oral argument.

MEMORANDUM IN SUPPORT

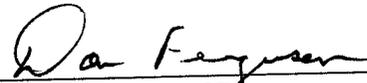

The reason for the request is that Petitioner, Cincinnati Enquirer has made sensational new assertions in its reply brief which are not supported by evidence in the record of the case. There is no evidence of a backroom deal or a conspiracy to deprive the newspaper of information. The Petitioner is now arguing based on an assumption not based in evidence.

Respondent asserts that oral arguments would be very useful in addressing these new issues presented by Petitioner.

Wherefore, Respondent respectfully requests the opportunity to address these misrepresentations of the record in oral argument prior to the court's ruling.

Respectfully submitted,

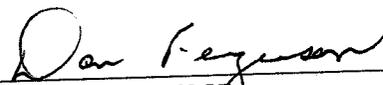

Michael T. Gmoser
Prosecuting Attorney of Butler County, Ohio
