For his lifesaving actions at the scene of a serious injury crash. On March 17, 1991, Tpr. Maier was dispatched to a personal injury crash on Pigeon Run Road in Stark County in which the passenger had become trapped face down in the mud. Tpr. Maier, unable to free the man, held his head out of the mud, then organized several bystanders to lift the car off the victim. Because of Tpr. Maier's quick thinking, the victim survived the incident.

GEORGE T. MAIER

Dear Democratic Central Committee Member,

Please join us in supporting the most qualified person to serve as Stark County Sheriff. Join us in supporting George Maier. George is a career law enforcement professional, and an experienced public safety administrator at both the state and local level.

His managerial experience is unmatched and he is uniquely qualified to serve as Stark County's lead public safety and law enforcement official. George worked his way up through the ranks in the Ohio State Highway Patrol serving as a Trooper, Sergeant, Lieutenant, Staff Lieutenant, and finally as a Captain, commanding 6 Posts in 10 counties. George was then chosen to serve as Assistant Director of the 4,000-employee Ohio Department of Public Safety, where he provided oversight for the day-to-day operations of eight agency divisions, including the Ohio Bureau of Motor Vehicles, Ohio Emergency Management Agency, Ohio Homeland Security, and Ohio Investigative Unit. He then served as the agency's Interim Director.

George Maier also served as Chairman of the State of Ohio Interoperable Executive Committee, and as a member of MARCS (Multi-Agency Radio Communications System) Funding Task Force and MARCS Steering Committee. He was appointed by Governor Ted Strickland to lead the first significant state effort to crack down on Ohio's growing prescription drug abuse problem, serving as Chairman of the Ohio Prescription Drug Abuse Task Force.

Serving as Sheriff is a critical leadership position, and we need to choose someone with the requisite background and necessary managerial experience in law enforcement to operate this vital office. Please join us in supporting George Maier for Sheriff.

Dear Mayor-Elect Catazaro-Perry:

Congratulations on your election as Mayor of Massillon. If there is anything the Ohio Bureau of Criminal Investigation can do to assist Massillon, please feel free to contact me.

I know you are quite familiar with George Maier and are undoubtedly aware of his distinguished career in public service. George has shared with me that he is interested in a position in your Administration, perhaps as Safety Service Director. I want to add my strong endorsement of George for this position or other senior level positions in your office.

I knew about George Maier's excellent reputation in the Ohio State Highway Patrol, but it was when I became Director of the Ohio Department of Public Safety that I came to fully appreciate his leadership and management skills. George served as my Assistant Director at Public Safety and I came to rely on him in a huge way. His vast experience, calm demeanor, common-sense approach and keen intuition all proved invaluable as we navigated through a very challenging period in the history of that agency. I greatly admired George's commitment, integrity and loyalty, and it was an honor to serve with him.

I wish you the very best as you lead the City of Massillon and I hope that George Maier can play a key role in your success.

Sincerely,

Thomas J. Stickrath, J.D.

To whom it may concern:

Re: Letter of Support for George Maier

As the retired Sheriff of Ross County, Ohio, I cannot think of an individual who provided me with more assistance than George Maier.

I am retired from 36 years of law enforcement which culminated with my service as the Ross County Sheriff for 12 ½ years. In that capacity, I worked with George Maier when he was the District Commander of the Highway Patrol as a Captain. George helped forge a new level of cooperation between the Patrol and local Law enforcement agencies.

This cooperation showed in 2006 when John Parsons, incarcerated for killing a police officer, escaped from the Ross County Jail. It was George Maier who stood with me through 83 days of an extensive man hunt to capture one of Ohio's most sought after fugitives.

My fondest memory of working with George was how he personally provided enormous aid and assistance in tracking down and capturing John Parsons. George worked day and night with me, for those 83 days, to assure a search and capture did not expose or endanger the citizens of Ross County or the numerous Deputies and Officers assisting.

The task force we jointly headed included representatives from the F.B.I, U.S. Marshall's, and approximately 25 other agencies from throughout Ohio and surrounding States. Our efforts were recorded and televised by America's Most Wanted and later covered in a National Geographic documentary and reenactment of the escape.

I highly recommend George Maier for any position he seeks. He is a man of the highest integrity, loyalty, and honor. He is a true team player who can be depended upon to get any job done. He is also a man of great humility, faith, and possesses many unique skills to devote to a worthy cause.

Please feel free to contact me if you have any further questions.

With best wishes I am very truly yours,

Ronald L. Nichols

Letter of Recommendation:

George T. Maier
Director of Public Safety and Service
Massillon, Ohio

It is my pleasure to offer this letter of support for Director Maier as he is considered for the position of Sheriff of Stark County.

From 2007 through 2011, Director Maier served as my direct supervisor during my tenure as Deputy Director and subsequent Executive Director for the Ohio Investigative Unit at the Department of Public Safety. His duties at the Ohio Department of Public Safety also included director of Administration, Bureau of Motor Vehicles, Emergency Management Agency, Emergency Medical Services, Homeland Security, State Highway Patrol, and the Office of Criminal Justice Services.

As Director and the highest ranking law enforcement official for the Ohio Investigative Unit, his oversight included the management of a multi-million dollar budget, a staff of 120 employees, five million dollars of state of Ohio assets and 25 million dollars in federal grants. His leadership also included: the development and reorganization of the hiring practices; recruitment and promotional processes; the negotiation of agreements for all contracts and necessary purchases of goods and services. The implementation of gambling, alcohol, food stamp, and tobacco enforcement programs with other governmental agencies and civic groups were also under his command.

Most importantly, Director Maier was very instrumental in directing the accreditation process through the Commission on Accreditation for Law Enforcement Agencies (CALEA), awarded to the Ohio Investigation Unit November 2009.

Director Maier 30 years experience in management, decision making, team building, investigative and leadership skills has earned him a solid track record as a leader in law enforcement.

I am continually impressed with his driven determination, leadership while tackling the challenges and responsibilities in law enforcement. His strength, character and dedication were demonstrated daily in the way he treated the employees and the public. He is a committed and dynamic individual who would be an outstanding candidate for sheriff of Stark County.

I respectfully ask you to carefully consider Director Maier as a candidate for sheriff.

Sincerely,

Glenn L. Taylor Sr,

Mayor Kathy Catazaro-Perry

151 Lincoln Way East

Massillon, Ohio 44646

Dear Mayor,

It is with a heavy heart that I must offer you my resignation as your Safety and Service Director effective February 8, 2013. It has been both an honor and a privilege to have worked with you and been part of your administration here in the City of Champions. I will truly miss working with you and the championship team we have developed over the past year.

As you are aware I have been appointed to the Office of Sheriff and will assume those duties effectively immediately.

As I turn the page to this new chapter in my life I will always hold very closely the basic core value we established early on to "Do the Right Thing". I hope to continue this value as I take on my new responsibilities at the Sheriff's Office.

Best wishes for success to you and your entire staff as you continue to find a way or make a way to make Massillon a better place to live, work and play.

Your Friend and Faithful Servant,

George T. Maier

Re: George T. Maier

Dear Ms. Vogley,

I forwarded a letter to you on January 10, 2013 regarding the materials and transcripts you reviewed in determining that George T. Maier has accumulated an equivalency of sixty seven college level credit hours which were beyond the training hours required by the basic Police Officers Training Academy (POTA).

I did not hear back from you. However, I reviewed a supplemental letter dated January 14, 2013 which was addressed to George T. Maier. It appears to be basically the same letter, except a few additional few sentences where you defined the definition of full time students and minimum credit hours.

Unfortunately, I am still unsure as to what materials and transcripts you reviewed to make your determination. I would appreciate it if you could please forward those documents to me at your earliest convenience. Since I have received several calls questioning Mr. Maier certifications, a simple letter will not suffice. As you may expect the first question that will be asked is "What specific classes did he take?" "Where are his transcripts?" Hopefully we can provide these answers shortly.

I appreciate your immediate attention.

Respectfully,

[REDACTED]

Dear Mr. Maier:

Thank you for submitting your portfolio of experience and college transcripts to Stark State College for review for prior learning credit assessment (PLA)/work experience credit.

Based on our review of your materials and transcripts, we have determined an equivalency of 67 college-level semester hours. According to the Ohio Board of Regent's *Operating Manual for Two-Year Campus Programs*, each Associate of Arts and/or Associate of Science degree requires successful completion of a minimum of ninety quarter (or sixty semester) credit hours. Full-time students are required to enroll in a minimum of 12 credit hours per semester. These equivalency hours will be documented as transfer credits.

No training hours, certifications or curriculum that is included in the Ohio Peace Officers Training Academy were included in the calculation of the 67 equivalent credit hours.

You may request a copy of your official transcript from Stark State College by following the instructions for a transcript request at: <http://www.starkstate.edu/transcript>

Please let me know if I can be of further assistance to you.

RE: George T. Maier

Dear Ms. Vogley,

Recently I received a letter from you on behalf of George T. Maier, a possible candidate for Stark County Sheriff, regarding your review of the materials and transcripts that he provided in which you determined an equivalency of 67 college level credit hours which were beyond the training hours required from the basic Police Officers Training Academy (POTA).

At this point, Mr. Maier is considering a candidacy for the Stark County Sheriff. As the Administrative Judge for Stark County, it is my role to determine if Mr. Maier has met all qualifications for candidates for Sheriff. Under ORC 311.01 titled Election and Qualifications of Sheriff, it states in pertinent part as a requirement:

"...(b) has completed satisfactory at least two years of post secondary education or the equivalent in semester or quarter hours in a college or university authorized to confer degrees by the Ohio Board of Regents or the comparable agency of another state in which the college or university is located or any school that holds a certificate of registration issued by the State Board of Career Colleges and Schools under Chapter 3332 of the Revised Code." (Emphasis added)

115 Central Plaza, North • Canton, Ohio 44702-1414
Phone: (330) 451-7715 • Fax (330) 451-7740
e-mail: JudgeForchione@co.stark.oh.us

At this point, it is important that I exercise due diligence to make sure these requirements have been met. First, I would appreciate it if you could please advise me how many hours are needed to be considered full time for a semester. I'm also requesting a copy of the materials and transcripts that you have reviewed to determine the equivalency of 67 college level credit hours.

I've had the opportunity to review Ohio case law regarding issues involving satisfaction of the post secondary-education requirement of Revised Code 311.01(B)(9)(b). One of the main issues seems to be whether any of these credit hours should be considered for peace-officer training. If that is the case, they should not be counted towards the post secondary-education requirement. How did you make that determination? What was your basis?

I appreciate the letter that you forwarded on behalf of Mr. Maier, but due to the importance of the position, I believe it's critical that your initial letter be more defined and supplemented. It is axiomatic that the Stark County residents have a Sheriff who is properly qualified.

I understand your schedule might be quite busy, but time is of the essence on this matter. If you have any questions, please feel free to contact me at your earliest convenience. I thank you for your anticipated cooperation.

Respectfully,

Frank Forchione
Judge

Dear Mr. Maier:

Thank you for submitting your portfolio of experience and college transcripts to Stark State College for review for prior learning credit assessment (PLA)/work experience credit.

Based on our review of your materials and transcripts, we have determined an equivalency of 67 college-level semester hours. According to the Ohio Board of Regent's *Operating Manual for Two-Year Campus Programs*, each Associate of Arts and/or Associate of Science degree requires successful completion of a minimum of ninety quarter (or sixty semester) credit hours. Full-time students are required to enroll in a minimum of 12 credit hours per semester. These equivalency hours will be documented as transfer credits.

No training hours, certifications or curriculum that is included in the Ohio Peace Officers Training Academy were included in the calculation of the 67 equivalent credit hours.

You may request a copy of your official transcript from Stark State College by following the instructions for a transcript request at: <http://www.starkstate.edu/transcript>

Please let me know if I can be of further assistance to you.
