MEMORANDUM IN SUPPORT

On December 24, 2013, this Court affirmed Appellant Hersie Wesson's convictions and death sentence. *State v. Wesson*, 2013-Ohio-4575. In a motion filed on January 14, 2014, undersigned counsel sought appointment for the purpose of preparing and filing an application for reopening pursuant to S.Ct.Prac.R. 11.06. That application is due March 24, 2014. Due to the proximity of the deadline as well as the fact that undersigned counsel is both out of state and in private practice, counsel requires an order of appointment before she is able to begin work on the case. An expedited ruling will ensure adequate time to prepare and file the application for reopening.

To ensure adequate appellate review of his conviction and sentence, Appellant Hersie Wesson requests an expedited ruling on the motion for appointment of the undersigned counsel.

Respectfully submitted,

By Angela Miller
