MEMORANDUM IN SUPPORT

Respondent moves this Honorable Court for an Order allowing him an additional thirty (30) days in which to file his Objections to the February 3, 2014 Report and Recommendation of the Board of Commissioners on Grievances and Discipline ("Report").

As grounds for this Motion, Respondent has retained co-counsel to participate in the drafting of the Objections as well as the oral argument. Co-Counsel is newly retained and has not yet entered his appearance. Hence, he is unfamiliar with the underlying proceedings and will need additional time to study the record and become familiar with the details of the underlying case. A short continuance of thirty (30) days will facilitate this process and ensure that thoughtful and logical Objections are filed with this Court.

No party will suffer any prejudice if this Motion is granted. No undue delay of this case will occur if Respondent is given an additional thirty (30) days to file his Objections. For all of these reasons, the instant Motion should be granted.

Respectfully submitted,

Kenneth R. Donchatz (0062221)
