UNOPPOSED MOTION FOR EXTENSION OF TIME TO FILE OBJECTIONS

NOW COMES, Respondent, Anthony O. Calabrese III, pro se, respectfully requesting a 20 day extension of time to file his objections to the finding of Fact, Conclusions of Law, and Recommendations of the Board of Commissioners on Grievances and Discipline of the Supreme Court of Ohio.

On August 28, 2014, the Supreme Court of Ohio issued an order to show cause in this matter. The Board in its final report recommended that the Respondent receive the most severe sanction possible, permanent disbarment.

The Respondent received the final report on September 3, 2014. On September 4, 2014, the Respondent contacted Joseph M. Caligivri the Relator. Mr. Caligivri consented to Respondent's request for a 20 day extension. Due to the gravity of the sanction and the complexities involved in this matter, the Respondent respectfully requests

that this Honorable Court grant a 20 day extension of time to file his objections to the findings of fact and recommendation of the Board, together with a Brief in Support. This request is not interposed for delay. Should this Honorable Court grant this extension the Respondent would be allowed until Tuesday, October 7, 2014 to file his objections and Brief. Again, this request has been consented to by the Relator.

Therefore, for the foregoing reasons, the Respondent respectfully requests that this Honorable Court grant the Respondent's Motion For An Extension of Time until October 7, 2014 to file his objections.

Respectfully submitted,

Anthony O. Calabrese III, Respondent pro se
