Case No. 2014-1492

November 7, 2014

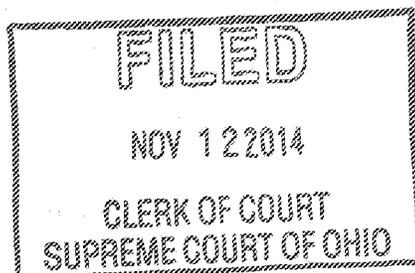

Chief Justice, Maureen O'Connor
65 South Front Street,
Columbus Ohio 43215-3431

Dear Chief Justice O'Connor:

Regarding the dismissal of the above case, I ask that you reconsider due to the fact the clerk filed the case in error.

Furthermore it is required by law that cases of bias regarding Judges be heard. The Supreme Court is to investigate such actions especially when a pro se litigant has brought it to the Courts attention, as stated in my response to the Respondents request for dismissal.

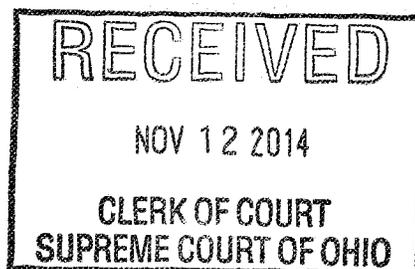

I ask that you review this matter and not dismiss with so little servility as the few lines that I received. I will continue to seek to have this injustice heard if you will not assist me in this matter.

Respectfully Submitted,

Verlean E Macon
