FILED  
FEB 08 2015  
CLERK OF COURT  
SUPREME COURT OF OHIO

Appellant's undersigned counsel requests a brief continuance of the oral argument scheduled for April 7, 2015 before the Master Commissioner. The undersigned counsel is scheduled to be out of the country on a family vacation through the evening of April 6, 2015. Nonrefundable travel arrangements have already been made and paid. Counsel hopes not to work on this oral argument on family vacation and is concerned that if the travel back to Ohio is delayed, that there will be no meaningful way to preserve judicial resources and make alternate arrangements with the Court and the parties at that time. Counsel is filing this Motion immediately upon receiving the Notice of Oral Argument and recognizing the conflict.

This is the first request for a continuance and is not made for the purpose of delay.

Counsel for the Appellee Tax Commissioner consents to this continuance request. The consent of the other Appellees was not sought, because they are not presenting an oral argument in this case.

Respectfully submitted,

---
