Case No. 2014-0672

Vs.

RULE 60

Schuyler Smith,
Defendant,

FILED

CLERK OF COURT
SUPREME COURT OF OHIO

Now comes, Defendant Schuyler Smith with motion of Rule 60 against Chief Justice Maureen O'Connor for improper procedure declining jurisdiction.

The Rights of Defendant-Appellant Schuyler Smith have been violated throughout the entire proceedings of case no. CV2013 01 0297, CA2013 12 0237, and Supreme Court case 2014-0672.

It all started in case no. CV2013 01 0297. Chief Justice Maureen O'Connor, assigned a Warren County Judge Neal Bronson to this case. Bronson allowed a Third Party Somerville National Bank, not affiliated to Keybank, into the interior of an on going case to sue Mr. Smith, resulting is unlawful and illegal procedures. Mr. Smith filed for appeal in case no. CA2013 12 0237 about this situation to the Twelfth District Court of Appeals, only to have them Recuse themselves. Again, Maureen O'Connor had to assign three more judges from First District Court of Appeals Judges to review this case only to have them Dismiss the appeal for lack of jurisdiction. So, Defendant- Appellant Schuyler Smith continued by filing to Supreme Court to review this situation. Then Maureen O'Connor takes it upon herself to review case no. 2014-0672 with no hearings with other judges, finishing with an Entry declining jurisdiction.

The facts are simple; Chief Justice Maureen O'Connor is operating outside the scope of court procedure. Maureen O'Connor has known about this case from beginning assigning several judges making it a conflict of interest. The Judge

by her are committing criminal acts, altering the out come of Mr. Smith's case. To the point that they refuse to give Mr. Smith a chance to even present the acts committed. The Defendant-Appellant Schuyler Smith has paid for an appeal, as well as to Supreme Court, to have a fair review of his situation only to have his rights violated.

In conculsion, Chief Justice Maureen O'Connor needs to come clean, and listen to the countless requests from Mr. Smith to address the on going situation. Rule 60, withdraws Maureen's Entry declining jurisdiction, until a further investigation is held. Depending on Chief Justice Maureen O'Connor cooperation regarding this matter, may result in sanctions for above reasons.

Respectfully Submitted,

Schuyler Smith
