MEMORANDUM IN SUPPORT

Defendant-Appellee did not want to retain my services to represent her in this case. Pursuant to a conversation with the Supreme Court of Ohio staff, my name was listed as counsel of record because my name was listed in pleadings filed by opposing counsel. I did not submit a Notice of Appearance in this case and never intended, nor was I aware, that I was listed as counsel of record for Defendant-Appellee.

WHEREFORE, counsel requests that his name be removed as counsel of record for Defendant-Appellee in this matter.

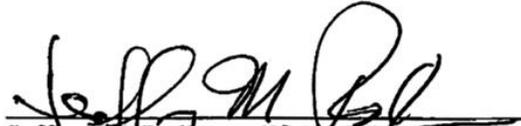

Respectfully submitted,
