MEMORANDUM IS SUPPORT OF JURISDICTION

This appeal comes before you with not only civil and human rights violations committed against me but an enormous amount of criminal element and activity included also.

It raises more than one category of substantial Constitutional Question.

It is inclusive of, but, not limited to multiple felonies. My life is currently in danger.

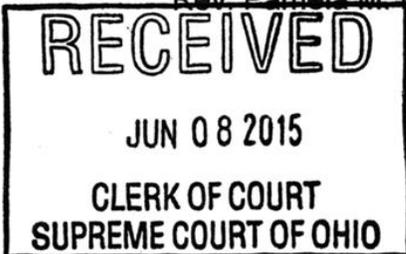

It does raise great public and general interest to the point where the media and others have been in place to suppress the fact that I am receiving multiple injustices.

It has been used in reference to the destruction of my parental rights and the relationship of my minor children.

It is also acceptable to be an "appeal as of right" aka an appeal of right due to the circumstances surrounding the matters.
