

Now comes the Relator, State ex rel. City of Youngstown, through its attorney and moves the Court to correct a clerical error in the complaint.

Throughout the “Verified Complaint For A Peremptory Writ Of Mandamus- Expedited Election Case Pursuant to S.C.R.P. 12.08”, filed on August 28th, 2015, Ohio Secretary of State Jon Husted’s name was incorrectly spelled, “John Husted”.

Wherefore, Relator respectfully requests, that the court correct the clerical error and replace “John Husted” with Jon Husted, the Ohio Sectary of State.
