

IN THE SUPREME COURT OF OHIO

STATE OF OHIO, :

Plaintiff-Appellee, :

vs. : Case No. CA 26191

CLINTON RICHARDSON : SC. Case No. 2015-0629/2015-1048

Defendant-Appellant. :

AMENDED MOTION FOR THE APPOINTMENT OF COUNSEL

Defendant-Appellant, Clinton Richardson, requests this Court to appoint Attorney Adam Arnold as counsel in the above-captioned case. The Second District Court of Appeals for Montgomery County filed an opinion in *State v. Richardson*, CA 26191, dated March 4, 2015, vacating the trial court's decision (Montgomery Common Pleas Case 2012-CR-03299). On April 22, 2015, the State filed a Notice of Certified Conflict to the Ohio Supreme Court and on August 26, 2015, the Ohio Supreme Court granted said notice.

Appellee's Notice of Certified Conflict stated:

Once the State presents evidence that a person is impaired and has taken a specific prescription medication, is the trier of fact able to draw a reasonable inference that the driver has violated R.C. 4511.19(A)(1)(a) or R.C. 4511.19(A)(2), without evidence (lay or expert) as to how the medication actually affects the driver and/or expert testimony about whether the particular medication has the potential to impair a person's judgment or reflexes?

As such, in the event that this Court orders that supplemental briefing occur, Mr. Richardson requests that this Court appoint Attorney Adam Arnold to represent him. His indigency status has not changed since April 22, 2015. Please disregard the previous motions for appointment filed in the case numbers listed above.

Respectfully submitted,

Adam J. Arnold, Esq (0088791)
