AFFIDAVIT OF JOSEPH F. ABATE, ESQ.

STATE OFARIZONA)
) SS.
COUNTY OF MARICOPA)

I, Joseph F. Abate, Esq., being over the age of eighteen, competent to testify from personal knowledge as to the facts set forth herein, and duly sworn and cautioned, do hereby declare and state that:

1. On February 19, 2016, I attempted to visit 4022 E. Greenway Rd., #11312, Phoenix, Arizona 85032. This was the "permanent residence" address listed by Fifi Harper in connection with an initiative petition in Ohio. **Exhibit A** attached is a copy of one of the part-petitions circulated by Fifi Harper listing 4022 E. Greenway Rd., #11312, Phoenix, Arizona 85032 as her permanent residence address.

2. The address known as 4022 E. Greenway Rd., Ste. 11, Phoenix, Arizona 85032 is a Pack Ship and Print Center ("Pack and Ship") in a strip plaza. The address of the plaza is 4022 E. Greenway Rd. and the individual businesses located there have suite numbers. **Exhibit B** attached hereto is a true and accurate copy of a photograph of the front entrance of the Pack and Ship.

3. Upon entering the Pack and Ship, I saw that there are mailboxes along a wall. **Exhibit C** attached hereto is a true and accurate copy of a photograph of some of the mailboxes that I observed located inside the Pack and Ship.

4. It did not appear that the Pack and Ship was a residence. Upon inquiry as to whether anyone resides at the Pack and Ship, the employee working at the time, who identified himself as Jim Fenton, confirmed that no one resides there.

Further Affiant sayeth naught.

INITIATIVE PETITION

Law Proposed by Initiative Petition First to be Submitted to the General Assembly.

TITLE

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ("the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

ABATE

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIV/AIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

Affidavit of David Hasman and Exhibit 1 to Hasman Affidavit

AFFIDAVIT OF DAVID R. HASMAN

STATE OF OHIO :
: ss.
COUNTY OF FRANKLIN :

I, David R. Hasman, being first duly cautioned and sworn, hereby state as follows:

1. I have personal knowledge of the matters contained herein, and I am competent to testify thereto.

2. I am the Litigation Support Manager for Bricker & Eckler LLP ("Bricker").

3. In my capacity as Litigation Support Manager, I am familiar with the part-petitions of the initiative petition (the "Petition") filed with Secretary of State Husted (the "Secretary") on December 22, 2015 proposing to enact Section 194.01 of the Ohio Revised Code, sometimes referred to as "The Ohio Drug Price Relief Act." Copies of part-petitions were obtained by Bricker from the Secretary.

4. Attached to this affidavit as Exhibit 1 are true and accurate copies of the part-petitions circulated by Fifi Harper in regard to Knox County, Ohio.

5. From the face of those part-petitions, it appears that Ms. Harper submitted 488 signatures in Knox County that were verified as valid by the Secretary.

6. Upon information and belief, the total number of signatures verified as valid by the Secretary in Knox County was 578.

7. According to the Secretary's website, 1.5% of the total vote cast for governor in Knox County in the most recent gubernatorial election is 257. A true and accurate copy of a screen print from the Secretary's website is attached hereto as Exhibit 2.

8. Accordingly, if the signatures submitted by Ms. Harper are subtracted from the signature total, the Petition would not meet the 1.5% threshold in Knox County.

9. Attached to this affidavit as Exhibit 3 are true and accurate copies of the part-petitions circulated by Fifi Harper in regard to Licking County, Ohio.

10. From the face of those part-petitions, it appears that Ms. Harper submitted 17 signatures in Licking County that were verified as valid by the Secretary.

11. Upon information and belief, the total number of signatures verified as valid by the Secretary in Licking County was 712.

12. According to the Secretary's website, 1.5% of the total vote cast for governor in Licking County in the most recent gubernatorial election is 707.

13. Accordingly, if the signatures submitted by Ms. Harper are subtracted from the signature total, the Petition would not meet the 1.5% threshold in Licking County.

14. Attached to this affidavit as Exhibit 4 are true and accurate copies of the part-petitions circulated by Fifi Harper in regard to Morrow County, Ohio.

15. From the face of those part-petitions, it appears that Ms. Harper submitted 182 signatures in Morrow County that were verified as valid by the Secretary.

16. Upon information and belief, the total number of signatures verified as valid by the Secretary in Morrow County was 253.

17. According to the Secretary's website, 1.5% of the total vote cast for governor in Morrow County in the most recent gubernatorial election is 146.

18. Accordingly, if the signatures submitted by Ms. Harper are subtracted from the signature total, the Petition would not meet the 1.5% threshold in Morrow County.

19. Attached to this affidavit as Exhibit 5 are true and accurate copies of the part-petitions circulated by Fifi Harper in regard to Scioto County, Ohio.

20. From the face of those part-petitions, it appears that Ms. Harper submitted 546

signatures in Scioto County that were verified as valid by the Secretary.

21. Upon information and belief, the total number of signatures verified as valid by the Secretary in Scioto County was 567.

22. According to the Secretary's website, 1.5% of the total vote cast for governor in Scioto County in the most recent gubernatorial election is 271.

23. Accordingly, if the signatures submitted by Ms. Harper are subtracted from the signature total, the Petition would not meet the 1.5% threshold in Scioto County.

24. Upon information and belief, in excess of 1,400 part-petitions contain circulator affidavits in which the circulator has attested to witnessing more signatures than appear on the actual part-petition.

FURTHER AFFIANT SAYETH NAUGHT.

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

TITLE

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

TITLE

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

TITLE

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

TITLE

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

TITLE

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

STATEMENT OF CIRCULATOR

I, Fifi Harper, declare under penalty of election falsification that I am the circulator of the foregoing petition paper containing the signatures of 28 electors, that the signatures appended hereto were made and appended in my presence on the date set opposite each respective name, and are the signatures of the persons whose names they purport to be or of attorneys in fact acting pursuant to section 3501.382 of the Revised Code, and that the electors signing this petition did so with knowledge of the contents of same. FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

TITLE

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

Law Proposed by Initiative Petition First to be Submitted to the General Assembly.

TITLE

24 Valid
KDH

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

Law Proposed by Initiative Petition First to be Submitted to the General Assembly.

TITLE

21 Valid

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

STATEMENT OF CIRCULATOR

I, Lili _____, declare under penalty of election falsification that I am the circulator of the foregoing petition paper containing the signatures of 29 electors, that the signatures appended hereto were made and appended in my presence on the date set opposite each respective name, and are the signatures of the persons whose names they purport to be or of attorneys in fact acting pursuant to section 3501.382 of the Revised Code, and that the electors signing this petition did so with knowledge of the contents of same. FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

Law Proposed by Initiative Petition First to be Submitted to the General Assembly.

TITLE

20 Valid KDH

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

TITLE

20 Valid
KDH

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

STATEMENT OF CIRCULATOR

I, Kit Harper, declare under penalty of election falsification that I am the circulator of the foregoing petition paper containing the signatures of 28 electors, that the signatures appended hereto were made and appended in my presence on the date set opposite each respective name, and are the signatures of the persons whose names they purport to be or of attorneys in fact acting pursuant to section 3501.382 of the Revised Code, and that the electors signing this petition did so with knowledge of the contents of same. Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

TITLE

24 Valid
KDH

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

Law Proposed by Initiative Petition First to be Submitted to the General Assembly.

TITLE

20 Valid KDH

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

STATEMENT OF CIRCULATOR

I, Lisi Harper, declare under penalty of election falsification that I am the circulator of the foregoing petition paper containing the signatures of 28 electors, that the signatures appended hereto were made and appended in my presence on the date set opposite each respective name, and are the signatures of the persons whose names they purport to be or of attorneys in fact acting pursuant to section 3501.382 of the Revised Code, and that the electors signing this petition did so with knowledge of the contents of same. Law Proposed by Initiative Petition First to be Submitted to the General Assembly.

TITLE

20 Valid
KDH

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

STATEMENT OF CIRCULATOR

I, Fifi Hargo, declare under penalty of election falsification that I am the circulator of the foregoing petition paper containing the signatures of 20 electors, that the signatures appended hereto were made and appended in my presence on the date set opposite each respective name, and are the signatures of the persons whose names they purport to be or of attorneys in fact acting pursuant to section 3501.382 of the Revised Code, and that the electors signing this petition did so with knowledge of the contents of same. FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

Ohio Drug Price Relief Act

SUMMARY

The Act would enact Section 194.01 of the Ohio Revised Code to require that notwithstanding any other provision of law and in so far as permissible under federal law, the State of Ohio shall not enter into any agreement for the purchase of prescription drugs or agree to pay, directly or indirectly, for prescription drugs, including where the state is the ultimate payer, unless the net cost is the same or less than the lowest price paid for the same drug by the U. S. Department of Veterans Affairs. Among other provisions, the Act also:

- Sets forth the title of the Act as "The Ohio Drug Price Relief Act."
- Sets forth Findings and Declarations and Purposes and Intent of the Act.
- Sets forth factors in determining "net cost."
- Authorizes state departments, agencies and other state entities to adopt administrative rules to implement the provisions of the Act.
- Provide that the Act shall liberally construed to effectuate its purpose.
- Provide that if any provision of the Act is held to be invalid, the remaining provisions shall remain in effect.
- Provide that if the Act is challenged in court, it shall be defended by the Attorney General.
- Declare that the committee of individuals responsible for circulation of the petition ('the proponents") have a direct and personal stake in defending the Act and any one or more of them may do so in court if challenged. Provide that the proponents shall be indemnified by the state for their reasonable attorney's fees and expenses in defending against a legal challenge to the Act. Provide that the proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the state if the Act or any of its provisions are held by a court to be unenforceable, but shall have no other personal liability.
- Provide that in the event that the Act and another law are adopted by the voters at the same election and contain conflicting provisions and the Act received less votes, the non-conflicting provisions of the Act shall take effect.
- Require the General Assembly to enact any additional laws and the Governor to take any additional actions required to promptly implement the Act.

CERTIFICATION OF ATTORNEY GENERAL

Without passing upon the advisability of the approval or rejection of the measure to be referred, but pursuant to the duties imposed upon the Attorney General's Office under Section 3519.01(A) of the Ohio Revised Code, I hereby certify that the summary is a fair and truthful statement of the proposed law.

FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.

STATEMENT OF CIRCULATOR

I, Fifi Harper, declare under penalty of election falsification that I am the circulator of the foregoing petition paper containing the signatures of 26 electors, that the signatures appended hereto were made and appended in my presence on the date set opposite each respective name, and are the signatures of the persons whose names they purport to be or of attorneys in fact acting pursuant to section 3501.382 of the Revised Code, and that the electors signing this petition did so with knowledge of the contents of same. FULL TEXT OF LAW

Be it Enacted by the People of the State of Ohio that the following chapter and section are added to Title I of the Revised Code.

Chapter 194: Drug Price Relief

Section 194.01

(A) Title.
This Act shall be known as "The Ohio Drug Price Relief Act" (the "Act").

(B) Findings and Declarations.
The People of the State of Ohio hereby find and declare all of the following:

(1) Prescription drug costs have been, and continue to be, one of the greatest drivers of rising health care costs in Ohio.
(2) Nationally, prescription drug spending increased more than 800 percent between 1990 and 2013, making it one of the fastest growing segments of health care.
(3) Spending on specialty medications, such as those used to treat HIVIAIDS, Hepatitis C, and cancers, are rising faster than other types of medications. In 2014 alone, total spending on specialty medications increased by more than 23 percent.
(4) The pharmaceutical industry's practice of charging inflated drug prices has resulted in pharmaceutical company profits exceeding those of even the oil and investment banking industries.
(5) Inflated drug pricing has led to drug companies lavishing excessive pay on their executives.
(6) Excessively priced drugs continue to be an unnecessary burden on Ohio taxpayers that ultimately results in cuts to health care services and providers for people in need.
(7) Although Ohio has engaged in efforts to reduce prescription drug costs through rebates, drug manufacturers are still able to charge the State more than other government payers for the same medications, resulting in a dramatic imbalance that must be rectified.
(8) If Ohio is able to pay the same prices for prescription drugs as the amounts paid by the United States Department of Veterans Affairs, it would result in significant savings to Ohio and its taxpayers. This Act is necessary and appropriate to address these public concerns.

(C) Purposes and Intent.

The People of the State of Ohio hereby declare the following purposes and intent in enacting this Act:

(1) To enable the State of Ohio to pay the same prices for prescription drugs as the prices paid by the United States Department of Veterans Affairs, thus rectifying the imbalance among government payers.
(2) To enable significant cost savings to Ohio and its taxpayers for prescription drugs, thus helping to stem the tide of rising health care costs in Ohio.
(3) To provide for the Act's proper legal defense should it be adopted and thereafter challenged in court.

(D) Drug Pricing.

(1) Notwithstanding any other provision of law and insofar as may be permissible under federal law, neither the State of Ohio, nor any state department, agency or other state entity, including, but not limited to, the Ohio Department of Aging, the Ohio Department of Health, the Ohio Department of Insurance, the Ohio Department of Jobs and Family Services, and the Ohio Department of Medicaid, shall enter into any agreement with the manufacturer of any drug for the purchase of a prescribed drug or agree to pay, directly or indirectly, for a prescribed drug, unless the net cost of the drug, inclusive of cash discounts, free goods, volume discounts, rebates, or any other discounts or credits, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(2) The price ceiling described in subsection (1) above also shall apply to all programs where the State of Ohio or any state department, agency or other state entity is the ultimate payer for the drug, even if it did not purchase the drug directly. This includes, but is not limited to, the Ohio Best Rx Program and the Ohio HIV Drug Assistance Program. In addition to agreements for any cash discounts, free goods, volume discounts, rebates, or any other discounts or credits already in place for these programs, the responsible department, agency or entity shall enter into additional agreements with drug manufacturers for further price reductions so that the net cost of the drug, as determined by the purchasing department, agency or entity, is the same as or less than the lowest price paid for the same drug by the United States Department of Veterans Affairs.

(3) All state departments, agencies and other state entities that enter into one or more agreements with the manufacturer of any drug for the purchase of prescribed drugs or agreement to pay directly or indirectly for prescribed drugs shall implement this section no later than July 1, 2017.

(4) Each such department, agency or other state entity, may adopt administrative rules to implement the provisions of this section and may seek any waivers of federal law, rule, or regulation necessary to implement the provisions of this section.

(5) The General Assembly shall enact any additional laws and the Governor shall take any additional actions required to promptly carry out the provisions of this section.

(E) Liberal Construction.

This Act shall be liberally construed to effectuate its purpose.

(F) Severability.

If any provision of this Act, or part thereof, or the applicability of any provision or part to any person or circumstances, is for any reason held to be invalid or unconstitutional, the remaining provisions and parts shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. If this Act and another law are approved by the voters at the same election with one or more conflicting provisions and this Act receives fewer votes, the non-conflicting provisions of this Act shall go into effect.

(G) Legal Defense.

If any provision of this Act is challenged in court, it shall be defended by the Attorney General of Ohio. The People of Ohio, by enacting this Act, hereby declare that the committee of individuals responsible for the circulation of the petition proposing this Act ("the Proponents") have a direct and personal stake in defending this Act from constitutional or other challenges. In the event of a challenge, any one or more of the Act's Proponents shall be entitled to assert their direct and personal stake by defending the Act's validity in any court of law, including on appeal. The Proponents shall be indemnified by the State of Ohio for their reasonable attorney's fees and expenses incurred in defending the validity of the challenged Act. In the event that the Act or any of its provisions or parts are held by a court of law, after exhaustion of any appeals, to be unenforceable as being in conflict with other statutory or constitutional provisions, the Proponents shall be jointly and severally liable to pay a civil fine of $10,000 to the State of Ohio, but shall have no other personal liability to any person or entity.
