Relator attached a certificate of service to her complaint advising that she had provided a copy of the complaint to Charles Hannan of the Cuyahoga County Prosecutor's office because he had defended respondent Court of Appeals in past actions seeking extraordinary writs.

This morning Mr. Hannan advised the undersigned that his office no longer represents respondent in original actions, and that the Ohio Attorney General does. He suggested contacting Sarah Pierce of the constitutional section of the Ohio Attorney General's office.

The undersigned called Ms. Pierce's office, advised Cathy Kirby (who answered his call) about relator's complaint, and at 10:51 a.m. e-mailed a copy of relator's

complaint to Cathy Kirby at cathy.kirby@ohioattorneygeneral.gov. Ms. Kirby advised the undersigned that she'd bring the matter to Ms. Pierce's attention. The telephone number there is (614) 466-2872.
