**JOINT STATUS REPORT
SUBMITTED ON BEHALF OF APPELLEE,
THE PUBLIC UTILITIES COMMISSION OF OHIO,
AND APPELLANT, OHIO POWER COMPANY**

On February 18, 2016, the Court issued an Entry in this proceeding granting the parties' joint request for a stay of the briefing schedule. The Public Utilities Commission of Ohio (Commission) continues to consider options for moving forward with the net metering rule. The Commission has received and continues to consider written comments by interested parties concerning a draft proposed net metering rule. Although this appeal remains a live controversy, the draft proposed rule and stakeholder comment process shows the Commission's continued action on this matter. On that basis, the parties jointly request that the briefing stay be continued at this time and state that they intend to file another status report within sixty days of this filing.

Respectfully submitted,

Michael DeWine (0009181)
