PLEADINGS, FILES AND PAPERS

1. All pleadings and other papers filed in an action shall be neatly and plainly typewritten with legal caption and double spaced so that they can be easily read, or the Court may strike them from the files at the cost of the party filing them.

2. Endorsement of Address. The caption of the complaint shall state the post office address of all parties, if known; if the address is unknown, that fact shall be stated.

In addition to the above requirements, in all Domestic Relations and paternity pleadings, the caption of the complaint shall also include the Social Security number and the date-of-birth of the parties when known. When this information is unknown, the caption shall state this fact.

The first pleading or motion filed by a party shall state the correct address of such party. A motion or pleading making new parties shall conform to the provisions of this rule. All pleadings shall bear the name, address, zip code, and phone number of counsel filing them, and each page shall be numbered at the bottom of the page. One copy of every paper shall be filed for each opposing party.

3. True copies of all pleadings filed after the complaint or any exhibits, motions, affidavits, briefs or other papers filed with the Clerk, unless

4. Amendments. In no case where pleadings are amended shall the original pleadings be withdrawn from the files or any part thereof obliterated; nor shall the amendment be made by interlineation or delineation, except by special leave of Court, and if such is granted, the words to be interlined and/or delineated shall be set forth in full on the journal.

5. Removal of Files and Papers. No papers or files shall be removed from the office of the Clerk of Courts without permission of the Clerk or Judge and until written receipt for same is given to the Clerk.

All papers or files so removed shall be returned to the Clerk within seven days from their removal.

6. Counsel shall be responsible for endorsing on all final orders, "Final Appealable Order," and shall supply sufficient copies for all counsel of record for service by the Clerk of Courts.

2. A document filed by electronic transmission will be accepted as original and the signature accepted as original consistent with Civil Rule 5(E).

3. The attorney must telephone the Clerk's Office during normal business hours, 8:30 A. M. and 4:30 P.M., and request a transmission number to identify the intended filing. The attorney must provide the clerk with transmission identification information including his name and registration number, the number of the case, the nature of the pleading or paper, the number of pages, and billing data. The Clerk will enter this information on a log. The attorney must transmit the document at a time and

Transmissions without such information will not be accepted for filing. A transmitted document must be no longer than ten pages and must pertain to only one case. A transmission with more than ten (10) pages shall not be accepted unless prior approval is granted for said pages and for good cause shown to the Court.

CHECK LIST OF ISSUES

Counsel for each party in which a jury trial has been requested shall submit to the Court ten (10) days prior to the date of trial a check list of those issues which he believes, either as plaintiff or defendant, will be involved in the trial of the case, and further which he believes the Court should include in its charge to the jury. RULE 16
COURT MEDIATION SERVICES

16.01 Definitions

All definitions found in the "Uniform Mediation Act" (UMA) O.R.C. Section 2710.01 are adopted by this Court through this Local Court Rule, including the following as used in this Local Rule:

- A. "Mediation" means any process in which a mediator facilitates communication and negotiation between parties to assist them in reaching a voluntary agreement regarding their dispute.
- B. "Mediator" means an individual who conducts a mediation.
- C. "Mediation Communication" means a statement, whether oral, in a record, verbal or nonverbal, that occurs during a mediation or is made for purposes of considering, conducting, participating in, initiating, continuing or reconvening a mediation or retaining a mediator.
- D. "Proceeding" means a judicial, administrative, arbitral, or other adjudicative process, including related pre-hearing and post hearing motions, conferences, and discovery.

16.02 Purpose

Mediation services have been established in order to promote greater efficiency and to facilitate the earliest possible resolution in Wyandot County Common Pleas Court cases.

16.03 Scope

At any time and in any pending action under the jurisdiction of the Wyandot County Court of Common Pleas, All Divisions, a case may be referred for mediation services either in house or to an outside mediator. Mediation is prohibited in any case as an alternative to the prosecution or adjudication of domestic violence; in determining whether to grant, modify or terminate a protection order; in determining the terms and conditions of a protection order; or in determining the penalties

or disposition for violation of a protection order. Mediation may be utilized in a subsequent divorce or custody case even though that case may result in the termination or modification of the provisions of a protection order.

In Probate proceedings, mediation is prohibited in the following cases:

- (a) Cases where one of the parties is or is alleged to be mentally ill;
- (b) In emergency circumstances requiring an immediate hearing by a jurist;
- (c) Cases in which the parties have submitted an executed Agreed Judgment Entry;
- (d) In Motions for an Emergency Guardian; or

16.04 Post Decree Mediation

The parties may file a Motion for Post Decree Mediation through the Court. A filing fee will be charged which will include the cost of mediation.

16.05 Referral to Mediation

The case is referred to mediation by order of the Court. The Court may issue the order on its own motion, upon the motion of counsel or upon recommendation by the mediator.

16.06 Continuances

Continuances shall be granted by the Court only for good cause shown and after a mutually acceptable future date has been Determined. No continuance will be granted if the mediation cannot be scheduled prior to the final pretrial.

16.07 No Stay of Proceedings

All remaining court orders shall remain in effect. No order is stayed or suspended during the mediation process.

16.08 Mediator Duties

The mediator shall do the following:

- (a) Advise all parties of their right to participate in mediation, and if the parties wish, that their attorneys and other individuals they designate may accompany them and participate in mediation.
- (b) Keep confidential all communication whether verbal or written and advise parties and other participants of confidentiality issues.
- (c) Disclose to the mediation parties, counsel, and any non-party participants any known conflicts of interest that may affect the mediator's impartiality as soon as the conflict becomes known to the mediator (see O.R.C. Section 2710.08 (A) and (B)).
- (d) Inform all interested parties and the Court that mediation is terminated if the mediator determines that further mediation efforts would be of no benefit to the parties or is otherwise inappropriate.
- (e) Screen for domestic violence both before and during mediation.
- (f) Encourage appropriate referrals to legal counsel and other support services for all parties, including victims of domestic violence.
- (g) Comply with the Rules of Superintendence for Courts of Common Pleas and submit to the Court an Affidavit of Compliance in a form prescribed by the Court.
- (h) Provide to the parties and their attorneys a memorandum of understanding of any agreement reached or a statement that the mediation has been terminated without an agreement.
- (i) Provide to the attorneys and the Court a mediation report in the form provided by the Court.

16.09 Confidentiality/Privilege

All mediation communications related to or made during the mediation process are subject to and governed by the "Uniform Mediation Act" (UMA) O.R.C. 2710.01 to 2710.10, O.R.C. 3109.052, the Rules of Evidence and any other pertinent judicial rule(s). Confidentiality outside of legal

proceedings is only by agreement of the parties.

All disclosures made by parties or information received from any source or person during mediation shall be deemed confidential and the mediator shall not be required to disclose any statements or discussions which occurred during mediation. Communications during mediation fall within the purview of the Rules of Evidence which prohibit any party from introducing these communications into evidence. The foregoing confidentiality requirements shall not, however, be construed to exempt any person from the statutory duty to report child abuse pursuant to Revised Code 2151.421.

16.10 Mediation in Cases with Domestic Violence Issues

For mediation of allocation of parental rights and responsibilities or the care of, or parenting time with, minor children or delinquency or status offense cases, mediation may proceed, when violence or fear of violence is alleged, suspected or present, only if the mediator has specialized training set forth in "specific qualifications and training: domestic abuse" of this rule and all of the following have been satisfied:

- (a) The person who is or may be the victim is fully informed, both orally and in writing, about the mediation process, his or her right to decline participation in the mediation process, and his or her option to have a support person present at mediation sessions.
- (b) The parties have the capacity to mediate without fear of coercion or control.
- (c) Appropriate procedures are in place to provide for the safety of the person who is or may be the victim of domestic violence and all other persons present at the mediation.
- (d) Procedures are in place for the mediator to terminate mediation if he or she believes that there is a continued threat of domestic violence or coercion between the parties.
- (e) Written findings of fact, as required by O.R.C. 3109.052, have been made by the Court in referring a case involving domestic violence to mediation.

16.11 Mediator Qualifications

The following qualifications apply to all mediators to whom the Court makes a referral:

A mediator who has not completed this specialized training may mediate these cases only if he/she co-mediate with a mediator who had completed the specialized training.

16.12 Model Standards

Mediators providing services for the court shall endeavor to comply with the Model Standards of Practice for Family and Divorce Mediation and the Special Policy Considerations for the State

Regulation of Family Mediators and Court Affiliated Programs. In cases where these models are in conflict with Rule 16 of the Rules of Superintendence for the Courts of Ohio, the Rule shall control.

16.13 Sanctions

If any of the individuals identified in the above-paragraph fail to attend mediation without good cause, the Court may impose sanctions, including the award of attorney's fees and other costs, contempt or other appropriate sanctions.

The efforts of the mediator shall not be construed as giving legal advice. The Court may have materials for legal or other support services available in the community. The mediator is authorized to provide such resource information; however, such distribution shall not be construed as a recommendation of or referral to such resource. LOCAL COURT RULE 25

STANDARD ORDER OF PARENTING TIME

In any domestic relations case, or paternity or child support case in the juvenile division, barring otherwise extraordinary circumstances, the term "reasonable parenting time" shall mean whatever the parties may be able to agree upon and found by the Court to be in the child(ren)'s best interest. If in the event the parties should disagree, then said term shall be interpreted to mean that the non-custodial parent shall have parenting time as follows, unless otherwise Ordered by the Court:

1. Alternate weekends from Friday evenings at 6:00 p.m. to Sunday evenings at 6:00 p.m.
2. For the purpose of parenting time, there are six (6) holidays to be divided between the parents:
 1. Martin Luther King Day
 2. Easter
 3. Memorial Day
 4. July 4th
 5. Labor Day
 6. Thanksgiving

In odd-numbered years the mother shall have the child(ren) on the odd-numbered holidays, and the father shall have parenting time on the even-numbered holidays. In the even-numbered years, the father shall have the odd-numbered holidays and the mother the even-numbered holidays.

The above Holiday visitation shall occur from 8:30 A.M. - 6:00 P.M. with Holiday visitation taking precedent over regular visitation. When the non-residential parent has a holiday which falls on a day which abuts the non-residential parents weekend either just prior to or immediately following that weekend, then in that event the holiday and weekend shall go forward uninterrupted as one block of parenting time.

3. In the odd-numbered years, the mother shall have the child(ren) on Christmas Day at 2:00 p.m. until January 1 at 6:00 p.m. and the father shall have the child(ren) on Christmas Eve at 6:00 p.m. until Christmas Day at 2:00 p.m. In the even-numbered years, the Christmas schedule is reversed and the Father shall have the child(ren) on Christmas Day at 2:00 p.m. until January 1 at 6:00 p.m. and the mother shall have the child(ren) on Christmas Eve at 6:00 p.m. until Christmas Day at 2:00 p.m.

Holiday visitation over the Christmas holiday schedule shall take precedence over any other visitation.

4. On Mother's Day and Father's Day, no matter whose turn for parenting time, the child(ren) shall be with the Mother on Mother's Day and the Father on Father's Day from 8:30 a.m. to 6:00 p.m.

5. A four week (4) parenting time period each summer, to be arranged from the moment the vacation schedules are posted so that the parties have an opportunity to take the child(ren) for vacations. The four weeks may be taken in one week or two week increments but for no longer than two weeks at a time. A week is defined as five day increments and shall not interfere with the other parent's weekend parenting time as described in section 1 of this rule.

No parenting time shall occur with the non-residential parent within seven days of school starting except that said rule shall not interfere with the non-residential parent's weekend parenting time as described in section 1 of this rule.

6. Each parent must provide the other parent, in writing, with destination, times of arrival and departure, and method of travel if the summer companionship consists of a vacation outside the parent's community.

7. The child shall celebrate his/her birthday in the home of the custodial parent, unless it falls on a parenting time day in which case the birthday will be spent with the non-residential parent.

8. The non-residential parent has the responsibility for picking up and returning the child(ren). The non-residential parent, if unavailable for pick-up or delivery, must use an adult well-known to the child(ren). All persons transporting the child(ren) must comply with the law, have reliable transportation, and must be properly licensed and insured.

9. The child(ren), and/or custodial parent, have no duty to await the non-custodial parent for more than thirty (30) minutes past the parenting time. A parent late more than thirty (30) minutes shall forfeit that parenting time unless it is due to an unavoidable delay. If due to an unavoidable delay and the non-custodial parent is not able to exercise parenting time at the stated time, the custodial parent shall be notified promptly and a mutually agreeable alternate time shall be set. The non-custodial parent shall give this notice as soon as possible after he/she learns that he/she will be unable to exercise parenting time at the stated time.

10. If a child becomes ill or injured, warranting the giving of medication or consultation with a doctor or dentist, each parent must notify the other parent as soon as possible. If the child(ren) becomes ill while with the residential parent prior to a scheduled companionship period, the residential parent must contact the non-residential parent and discuss the advisability of whether the companionship should take place with the best interests of the child(ren) as the primary consideration. No visitation shall be denied unless interference is caused by acts of God, natural

disaster, or illness or injury that is verified by written orders from a doctor stating that parenting time should not occur. If parenting time is missed by the non-residential parent due to illness or injury of the child, a like period of makeup parenting time shall occur the following weekend and the next weekend the non-residential parent will again have parenting time so that the normal alternating weekend schedule detailed in section 1 will remain unchanged once the missed visitation is made up. If there is more than one child subject to this order, all the child(ren) stay together so that if a parenting time is missed due to illness of one child, all the child(ren) miss that parenting time. Likewise when the parenting time is made up, all the child(ren) go for the make up parenting time.

11. All necessary medication and health care equipment shall follow the child. The residential parent must provide written instructions and sufficient medication to last during the parenting time period to the non-residential. The non-residential parent must notify the residential parent if the child's condition worsens, or does not improve as might reasonably be expected.

12. The residence of the child(ren) is not to be removed from the State of Ohio without first obtaining a modified parenting time order from the Court of Common Pleas.

13. Each parent must keep the other parent informed of his or her current residential address and current residential telephone number, and an alternate number in case of an emergency. In addition, the non-residential parent must inform the residential parent of the address and telephone number where visitation will occur if not at the residential address.

GUIDELINES

- A. **Clothing:** The residential parent is responsible to provide sufficient clean clothing for every parenting time period. If the non-residential parent has a planned activity requiring special clothing, the non-residential parent must notify the residential parent at least two (2) days in advance. If the child(ren) does not have the type of clothing requested, the residential parent is under no obligation to comply with the request. All clothing sent by the residential parent must be returned with the child(ren) at the end of the parenting time period. If parenting time lasts more than three (3) days, all clothing must be laundered when returned with the child(ren).
- B. **Teenagers:** A regular parenting time period between the child and non-residential parent may become more difficult as the child(ren) ages and have more activities outside the family unit, obtains a driver's license, dates, works and spends time with friends. The parents need to respect their teenager opting to spend more time with friends or in organized activities and less time with each parent, especially weekends and summers. Maximum flexibility in scheduling is absolutely necessary for a child

of this age. Within limits it is advisable to consider the teenager's wishes, as long as the parents agree.

- C. Activities of the child(ren): Parents should discuss placement of child(ren) in activities. Activities should be encouraged that develop and/or enhance a child's talent, experience, and socialization. A reasonable parent understands the importance of such activities and will attempt to accommodate those activities. A reasonable parent also understands that a child should not be overburdened with activities.

This rule shall be effective MAY 26, 2004 at 4:30 PM. and shall be subject to amendments from time to time as the Court deems necessary.

COURT SECURITY POLICY
FOR WYANDOT COUNTY COMMON PLEAS COURT

I. POLICY:

To protect the integrity of Court procedures; To sustain the rights of individuals before the Court; To deter those who would take violent action against the Court or it's participants and; To maintain the decorum of the Court.

II. SHERIFF:

In accordance with the Ohio Revised Code, the Sheriff is charged with the custody and care of the courthouse.

III. DURESS ALARMS:

Neither the Court nor the county has the funds to expend for electronic monitoring devices. To ensure the security of the courtrooms within the Wyandot County Common Pleas Court, each courtroom is equipped with a duress alarm system or "panic button".

As used in this document, the following definition shall apply: Duress Alarm: An alarm of an alarm system which has the activator originating in a courtroom and other designated areas. Upon activation, a signal will be transmitted to a location external from the source of the activator. Such signal will serve as an indication of a need for assistance at the point of activation.

The duress alarm systems in the courthouse and in the Court facility have the ability of emitting a signal in one mode. This mode will signal that a problem exists or there is a high probability that a problem may erupt which will endanger the physical being of any person within the location serviced by the alarm activator and which requires the immediate assistance to suppress the situation or help the individual sending the signal.

IV. ARMED DEPUTIES:

The Court will use armed deputies as bailiffs only in those cases where security is deemed necessary.

V. EMERGENCY PROCEDURES:

Court personnel have received training in CPR; and evacuation procedures are posted throughout the courthouse and personnel made familiar with those procedures in the event of fire, etc. Emergency training will be updated every two years or sooner as required.

Such search will be limited and not be more intrusive than necessary to prevent persons from entering the secured areas carrying concealed or exposed weapons, but nevertheless reasonably effective to discover those weapons the search is designed to detect. All packages, briefcases, pocketbooks or other items carried by a person must be offered for inspection but security personnel are directed to inspect only those briefcases and parcels in which the prohibited items could be concealed. Any unprohibited items discovered during this administrative search will be returned immediately, as such items are beyond the scope of this search.

Any person failing to comply with this system will be informed that they are being denied access to the secured areas and any unauthorized entry into the facility may subject that person to charges of criminal trespass and contempt of this Order. Upon an individual's unauthorized entry, the security personnel will immediately notify the Sheriff of Wyandot County or the Court Administrator who may initiate contempt proceedings by filing a written charge with the Clerk of Court for a hearing pursuant to R. C. 2705.03, by filing charges for criminal trespass, or by filing both.

This Order shall be posted and displayed at the entrances to the Wyandot County Courthouse.

IN THE COURT OF COMMON PLEAS, WYANDOT COUNTY, OHIO

In the Matter of
Court Security

JOURNAL ENTRY

.....

The Court makes the following order pursuant to the Court's inherent powers to protect the public, including litigants, witnesses, and others with whom the Court comes in contact in the performance of the Court's duties and pursuant to United States Court of Appeals decisions holding that courts may, by order, require limited warrantless searches of persons seeking to enter sensitive facilities to protect against a real danger of violence. McMorris v. Alioto, 567 F. 2d 897 (9th Cir. 1978); Justice v. Elrod, 832 F. 2d 1048 (7th Cir. 1987).

Upon consideration of the report of the Ad Hoc Security Committee for Wyandot County and out of its own experiences, this Court finds that there is a sufficient basis for a limited administrative search of those persons entering facilities which are maintained for holding sessions of Court and Court related activities.

WYANDOT COUNTY JURY MANAGEMENT PLAN

INTRODUCTION

This local Rule of Practice is being implemented in compliance with Common Pleas Court Superintendence Rule 9 (C), which requires that each common pleas court, prior to July 1, 1994, develop and implement a Jury Management Plan. It is the purpose of this Rule to implement an efficient and comprehensive system of jury use and management for the Wyandot County Common Pleas Court.

OPPORTUNITY FOR SERVICE

The opportunity for jury service shall not be denied or limited on the basis of race, national origin, gender, age, religious belief, income, occupation, disability or any other factor that discriminates against a cognizable group in the jurisdiction.

Jury service is an obligation of all qualified citizens of Wyandot County, Ohio.

JURY SOURCE LIST

Potential jurors shall be drawn from a jury source list, which shall constitute a list of all registered voters in Wyandot County, by the use of random selection procedures using automated data processing equipment in conformity with ORC Section 2313.08 and ORC Section 2313.21.

The jury source list shall be representative and should be as inclusive of the adult population in the jurisdiction as is feasible.

The Court shall annually review the jury source list for its representativeness or inclusiveness of the adult population in the jurisdiction as is feasible.

Should the Court determine that improvement is needed in the representativeness or inclusiveness of the jury source list, appropriate corrective action shall be taken.

Departures from the principle of random selection are appropriate only to comply with lawful exceptions.

ADMINISTRATION OF THE JURY SYSTEM

The responsibility for administration of the jury system shall be vested exclusively in the Wyandot County Court of Common Pleas, save and except for the issuing of vouchers which shall be the responsibility of the Clerk of Courts.

Grand jury shall be drawn separately from petit jury and the responsibility for the administration of same shall be vested exclusively in the Wyandot County Court of Common Pleas, save and except for issuing of vouchers and the grand jury reports which shall be the function of the Clerk of Courts.

ELIGIBILITY FOR JURY SERVICE

All persons shall be eligible for jury service except those who:

1. Are less than eighteen (18) years of age.
2. Are not citizens of the United States
3. Are not residents of the jurisdiction in which they have been summoned to serve; to wit, Wyandot County, Ohio.
4. Are not able to communicate in the English language; or
5. Have been convicted of a felony and have not had their civil rights restored.

TERM OF AND AVAILABILITY FOR JURY SERVICE

The time that persons are called upon to perform jury service and to be available should be the shortest period consistent with the needs of justice. The term of service for any prospective panel shall be one day or the completion of one trial, whichever is longer.

Every effort shall be made to resolve cases prior to summoning juries. A jury panel shall not be summoned unless it appears that there is a substantial likelihood of trial. The assignment commissioner shall contact counsel, or the parties, which ever is appropriate, at least two weeks prior to the scheduled trial date. If it appears that trial is inevitable, a jury panel shall be summoned at least fourteen days in advance of trial. Those costs associated with the summoning of a jury shall be assessed against the party requesting the trial.

Prospective jurors shall be summoned to appear in sufficient numbers to accommodate trial activity as fixed by the Court.

NOTIFICATION AND SUMMONING PROCEDURES

A master list of prospective jurors shall be drawn on the first Wednesday of the month preceding the commencement of the term of court (i.e. first Monday of December for January term of court). Questionnaires shall be mailed to all prospective jurors at that time with instruction for their return. Jury panels shall be drawn from this master list in numerical order with the number of jurors for each panel being fixed by the court.

Questionnaires should be phrased and organized so as to facilitate quick and accurate screening and should request only that information essential for:

1. Determining whether a person meets the criteria for eligibility;
2. Providing basic background information ordinarily sought during voir dire examination; and
3. Efficiently managing the jury system.

The notice summoning a person to jury service should clearly explain how and when the recipient must respond and the consequences of a failure to respond.

EXEMPTION, EXCUSE AND DEFERRAL

All persons except those who exercise their right to exemption are subject to service. Eligible persons who are summoned may be excused from service only if it is determined that their ability to receive and evaluate information is so impaired that they are unable to perform their duties as jurors, or that service upon a jury would constitute a significant hardship to them or members of the public.

Persons excused from service shall be deferred and may be subject to jury service at a later time. Requests for excuses and deferrals and their disposition shall be written or otherwise recorded.

The following factors constitute a partial, although not exclusive, list of excuses for which a person may be excused or deferred from jury service:

1. Any person who suffers from a substantial physiological or psychological impairment.
2. Any person who has a scheduled vacation or business trip during potential jury service.
3. Any person for whom jury service would constitute a substantial economic hardship.
4. Any person for whom service on a jury would constitute a substantial hardship on their family, clients, or members of the public affected by the prospective juror's occupation.
5. Any person who has served on a jury within the last year.
6. Any person for whom it may be readily determined is unfit for jury service.
7. Any person for whom it is readily apparent would be unable to perform their duty as a juror.
8. Other valid excuse.

No person shall be excused from jury service, except by the Judge or an individual specifically authorized to excuse jurors.

JURY SIZE

In criminal cases, the jury shall consist of twelve regular jurors and one or more alternate jurors. In civil cases, the jury shall consist of eight regular jurors and one alternate juror, unless by agreement, the parties stipulate to a lesser number. In special circumstances, additional alternate jurors may be selected.

EXAMINATION OF PROSPECTIVE JURORS

Examination of prospective jurors shall be limited to matters relevant to determining whether to remove a juror for cause, and to determine the juror's fairness and impartiality.

All prospective jurors shall be placed under oath in accordance with the Ohio Revised Code. The oath administered shall incorporate an oath to assure the truthfulness of the answers provided on jury questionnaires.

Jury questionnaires indicating basic background information concerning panel members shall be made available to counsel upon request at reasonable cost as fixed by the court. Counsel is permitted to record or copy the information contained on the questionnaires, except address and telephone numbers, so long as all copies of jury questionnaires are returned to the court upon the completion of trial. Under no circumstances may counsel or a party retain any jury questionnaire.

Neither counsel nor party will be permitted to question prospective jurors as to matters contained in the questionnaire. Parties and counsel may be permitted to ask follow up questions concerning such information.

The Court shall conduct a preliminary voir dire examination concerning basic and relevant matters, and counsel shall be permitted a reasonable period of time to question panel members thereafter. Counsel or parties shall conform their voir dire questioning to the following rules:

1. Counsel may not examine prospective jurors concerning the law or possible instructions.
2. Counsel may not ask jurors to base answers on hypothetical questions.
3. Counsel may not argue the case while questioning jurors.
4. Counsel may not engage in efforts to indoctrinate jurors.
5. Jurors may not be asked what kind of verdict they might return under any circumstances. No promises may be elicited from jurors.
6. Questions are to be asked collectively of the panel whenever possible.
7. Counsel may inquire by general questions concerning the validity and philosophy of reasonable doubt or the presumption of innocence.

In the event there exists a potential for sensitive or potentially invasive questions, the Court or the parties may request a hearing preceding voir dire to consider these questions.

In all cases, voir dire shall be held on the record, but may be conducted outside the presence of other jurors in order to protect juror privacy, or to avoid juror embarrassment.

If it is determined by the Court during the voir dire process that an individual is unable or unwilling to sit in a particular cause fairly and impartially, the individual shall be removed from the panel. Such motion for removal for cause may be made by counsel, a party if unrepresented, or upon the motion of the court. Further, Ohio Revised Code Section 2313.42 and Ohio Criminal Rule of Procedure 24 (B) set forth additional cause challenges which may be made against potential jurors.

Peremptory challenges shall be exercised alternatively as presently established by Revised Code Section 2945.23, and Civil Rule 47, and Criminal Rule 24, unless prior to trial the parties agree on the record to another method. Unless otherwise agreed, all challenges shall be made in open court. In special circumstances, challenges may be made outside the hearing of the prospective jurors. There shall be no limit to challenges for cause, however peremptory challenges shall be limited to that number as established by the Rules of Civil and Criminal Procedure.

Challenges to the jury array shall be made in accordance with established rules of procedure.

JURY ORIENTATION

Jurors shall report for service no later than 9:00 a.m., unless otherwise directed. After orientation, voir dire shall commence promptly. All unresolved trial issues must be brought to the attention of the court before the completion of orientation. No motions shall be entertained by the court the day of trial, except those which the court must consider by law or rule of procedure.

Prospective jurors shall be provided with written or audio/visual orientation materials upon their initial appearance and prior to service. The court shall give preliminary instructions to all prospective jurors, as well as additional instructions following the impaneling of the jury to explain the jury's role, trial procedures of the court, along with other basic and relevant legal principals.

Upon the completion of the case and prior to jury deliberations, the court shall instruct the jury on the law and

the appropriate procedures to be followed during the course of deliberations. In accordance with the Civil and Criminal Rules of Procedure, the parties or their counsel may request the special instructions be given to the jury.

A final jury charge shall, whenever possible, be committed to writing, and shall be provided to the jury for its use during deliberation.

Upon appearance for service, all prospective jurors shall be placed under the supervision of assigned personnel and shall direct any questions or communications to such court personnel for appropriate action. Prospective jurors will be issued badges for identification purposes so as to forestall communication with counsel, parties, etc.

All communications between the judge and the members of the jury panel, from the time of reporting to the court through dismissal, shall be committed to writing or placed on the record in open court. Counsel for each party shall be informed of any communication, and shall be given the opportunity to be heard as to such communication. Under no circumstances shall counsel, a party, or other witnesses, have any contact with jurors.

All jury deliberations shall be conducted in the jury deliberation room. Jury deliberation rooms shall include space furnishing and facilities conducive to reaching a fair verdict. Court personnel shall endeavor to secure the safety of all prospective jurors, and shall arrange and conduct all activities so as to minimize contact between jurors, parties, counsel and the public. Upon the commencement of deliberations, all jurors shall remain in the care of court personnel and shall not be permitted to leave the court without permission.

Deliberations shall not continue after a reasonable hour, unless the trial judge determines that evening or weekend deliberations would not impose an undue hardship upon the jurors, and are required in the interest of justice. Jurors shall be consulted prior to any decision.

If jury deliberations are halted, jurors shall be permitted to be separated, unless for good cause shown, the court finds

that sequestration is necessary. If a jury is sequestered, the court shall undertake the responsibility to oversee the conditions of sequestration and the transportation of all jurors.

Upon reaching a verdict, all jurors shall return to the courtroom where the verdict or verdicts shall be read in open court. Upon the reading of the verdict either party may request that the jury be polled.

Upon the completion of service, each juror shall be given a personalized certificate of appreciation of service by the court and Clerk of Courts as well as vouchers for services rendered.
