

Video Activity: Officers Talk About Trauma

Criminal justice professionals are not strangers to potentially traumatic events. They work in high-risk jobs. Many serve or have served in the armed forces.

In this next video, we will hear from a police officer who experienced a brutal attack (Officer Tully) and a probation officer (Officer Morales) who was attacked in her office. They will each describe the *event*, how they *experienced* it, and the kinds of short- and long-term *effects* they experienced.

While Viewing the Video:

- Pay close attention to how the officers experienced the attacks and the effects that it had on them
- In the space below, jot down words or phrases the officers use to describe trauma
- When instructed, report out
